PROXY STATEMENT

We are providing these proxy materials in connection with the solicitation by the Board of Directors of Sypris Solutions, Inc. of proxies to be voted at our 2005 Annual Meeting of Stockholders, and at any postponement or adjournment thereof. In this Proxy Statement, we refer to Sypris Solutions, Inc. as “Sypris,” “Sypris Solutions,” “we,” “our” or “the Company.”

You are cordially invited to attend the Annual Meeting on April 26, 2005, beginning at 10:00 a.m. EDT. The Annual Meeting will be held at 101 Bullitt Lane, Lower Level Seminar Room, Louisville, Kentucky 40222.

We are first mailing this Proxy Statement and accompanying forms of proxy and voting instructions on or about March 25, 2005, to holders of our Common Stock at the close of business on March 9, 2005, the Record Date for the Annual Meeting.

Proxies and Voting Procedures

Your vote is important. Because many stockholders cannot attend the Annual Meeting in person, it is necessary that a large number of stockholders be represented by proxy. Most stockholders have a choice of voting over the Internet, using a toll-free telephone number or completing a proxy card and mailing it in the postage-paid envelope provided. Please refer to your proxy card or the information forwarded by your bank, broker or other nominee to see which options are available to you. Please be aware that if you vote over the Internet, you might incur costs such as telephone and Internet access charges for which you will be responsible. The Internet and telephone voting facilities for eligible stockholders of record will close at 11:59 p.m. EDT on April 25, 2005.

You can revoke your proxy at any time before it is exercised by timely delivery of a properly executed, later-dated proxy (including an Internet or telephone vote) or by voting by ballot at the Annual Meeting.

In order to vote over the Internet or via telephone, stockholders must have their voting form in hand and call the number or go to the web site identified on the enclosed form and follow the instructions to vote on the Internet or via telephone.

The method by which you vote will in no way limit your right to vote at the Annual Meeting if you later decide to attend in person. If your shares are held in the name of a bank, broker or other nominee, you must obtain a proxy, executed in your favor, from the holder of record, to be able to vote in person at the Annual Meeting.

All shares entitled to vote and represented by properly completed proxies received prior to the Annual Meeting, and not revoked, will be voted at the Annual Meeting in accordance with your instructions. **If you do not indicate how your shares should be voted on a matter, the shares represented by your properly completed proxy will be voted as the Board of Directors recommends.**

[Table of Contents](#)

If any other matters are properly presented for consideration at the Annual Meeting, including, among other things, consideration of a motion to adjourn the meeting to another time or place in order to solicit additional proxies in favor of the recommendations of the Board of Directors, the persons named as proxies and acting thereunder will have discretion to vote on those matters according to their best judgment to the same extent as the person delivering the proxy would be entitled to vote. At the date this Proxy Statement went to press, we did not anticipate that any other matters would be raised at the Annual Meeting.

Stockholders Entitled to Vote

Stockholders of Sypris Common Stock at the close of business on the Record Date are entitled to notice of and to vote at the Annual Meeting. Each share of Common Stock is entitled to one vote on each matter properly brought before the meeting. Stockholders do not have the right to cumulate their votes in the election of directors.

On the Record Date, March 9, 2005, there were 17,982,914 shares of Sypris Common Stock outstanding. A list of stockholders entitled to vote at the Annual Meeting will be available at the Annual Meeting and for 10 days prior to the Annual Meeting at the Company's offices at 101 Bullitt Lane, Suite 450, Louisville, Kentucky 40222, between the hours of 8:30 a.m. and 5:30 p.m. local time.

Quorum

The presence, in person or by proxy, of the holders of a majority of the shares entitled to vote is necessary to constitute a quorum at the meeting for the election of directors. Abstentions and broker "non-votes" are counted as present and entitled to vote for purposes of determining whether a quorum exists. A broker "non-vote" occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and has not received voting instructions from the beneficial owner.

Gill Family

As of the Record Date, the Gill family beneficially owned an aggregate of 8,538,111 shares or 47% of the Company's outstanding Common Stock. For further information on ownership of Common Stock by the Gill family, see *Stock Ownership of Certain Beneficial Owners*.

Multiple Stockholders Sharing the Same Address

In accordance with a notice sent to eligible stockholders who share a single address by one or more banks, brokers or nominees with accountholders who are Sypris stockholders, those stockholders will receive only one Annual Report and Proxy Statement at that address. This practice, known as "householding," is designed to reduce printing and postage costs. However, if a stockholder residing at such an address wishes to receive a separate Annual Report or Proxy Statement in the future, he or she may contact the bank, broker or nominee directly or contact Sypris at 101 Bullitt Lane, Suite 450, Louisville, Kentucky 40222 or at 502-329-2000. If you own your shares through a bank, broker or other nominee, and you are receiving multiple copies of our Annual Report and Proxy Statement, you can request householding by contacting the bank, broker or nominee.

Cost of Proxy Solicitation

Sypris will pay the cost of soliciting proxies. Sypris may reimburse brokerage firms and other persons representing beneficial owners of shares for expenses incurred in forwarding solicitation materials to such

[Table of Contents](#)

beneficial owners. Proxies may be solicited on behalf of the Company by directors, officers or employees of the Company, without additional compensation, in person or by telephone, facsimile or other electronic means.

GOVERNANCE OF THE COMPANY

Board of Directors

Our Board of Directors has adopted the Sypris Solutions, Inc. Guidelines on Corporate Governance (the "Guidelines") to address significant corporate governance issues. The Guidelines provide a framework for the Company's corporate governance initiatives and cover topics including, but not limited to, Board of Director and Committee composition and operation, director compensation and stock ownership requirements, and director tenure. The Nominating and Governance Committee is responsible for overseeing and reviewing the Guidelines on a regular basis, and reporting and recommending to the Board of Directors any changes to the Guidelines. On March 1, 2005, pursuant to a recommendation by the Committee, the Board of Directors amended the Guidelines to permit directors who reach the mandatory retirement age during an elected term to serve out their term. A current copy of the Guidelines is available on the Company's web site at www.sypris.com.

During 2004, the Board of Directors held ten meetings, and the Committees held sixteen meetings. All directors attended at least 75% of the Board meetings and Committee meetings of which they are members, except Roger W. Johnson. Mr. Johnson passed away on February 25, 2005. Although the Company does not have a formal policy regarding attendance by members of the Board of Directors at the Company's Annual Meeting of Stockholders, more than a majority of the directors have attended all Annual Meetings. Seven of eight directors attended the 2004 Annual Meeting, and all eight directors attended the 2003 Annual Meeting.

Independence

The Board of Directors has determined that Messrs. Ferko, Frigon, Petersen and Sroka are "independent directors," as such term is defined in NASD Rule 4200(a)(15). Mr. Johnson served as an independent director of the Company prior to his death on February 25, 2005.

In December 2004, the Board of Directors appointed Robert Sroka to serve a one-year term as Lead Independent Director. In this capacity, Mr. Sroka, who also served in this role during 2003, has frequent contact with our management, consulting with our executive officers and others on a broad range of matters. Mr. Sroka, as Lead Independent Director, presides over periodic independent sessions of the Board of Directors in which only independent directors participate. Stockholders and other parties interested in communicating directly with the Lead Independent Director or with the independent directors as a group may do so by writing Lead Independent Director, Sypris Solutions, Inc., 101 Bullitt Lane, Suite 450, Louisville, Kentucky 40222.

Communications with Stockholders

Our Board of Directors welcomes communications from our stockholders. Stockholders may send communications to the Board of Directors, or to any director in particular, c/o Sypris Solutions, Inc., 101 Bullitt Lane, Suite 450, Louisville, Kentucky 40222. Any correspondence addressed to the Board of Directors, or to any director in particular, in care of the Company, is forwarded by us to the addressee, without review by management.

Committees of the Board of Directors

During 2004, the Board of Directors had four ongoing Committees: the Audit and Finance Committee, the Compensation Committee, the Executive Committee and the Nominating and Governance Committee.

Sidney R. Petersen (Chairman), William G. Ferko and Robert Sroka are the current members of the Audit and Finance Committee. Roger W. Johnson served on the Audit and Finance Committee prior to his death on February 25, 2005. In August 2004, Mr. Petersen replaced Mr. Johnson as Chairman of the Audit and Finance Committee. In December 2004, the Board of Directors appointed William G. Ferko as a member of the Audit and Finance Committee, effective January 1, 2005. During 2004, the Audit and Finance Committee met eleven times.

Henry F. Frigon (Chairman), Sidney R. Petersen and Robert Sroka are the current members of the Compensation Committee. During 2004, the Compensation Committee met three times.

Robert E. Gill (Chairman), Henry F. Frigon, Jeffrey T. Gill and R. Scott Gill are the current members of the Executive Committee. During 2004, the Executive Committee held no meetings and took no actions via unanimous written consent.

William L. Healey (Chairman), William G. Ferko and Henry F. Frigon are the current members of the Nominating and Governance Committee. Roger W. Johnson served on the Nominating and Governance Committee prior to his death on February 25, 2005. In December 2004, the Board of Directors appointed William G. Ferko as a member of the Nominating and Governance Committee, effective January 1, 2005. Due to his status as a non-independent director, Mr. Healey has submitted his resignation as Chairman and member of the Nominating and Governance Committee, effective at the April 26, 2005 Annual Meeting of Stockholders. During 2004, the Nominating and Governance Committee met two times.

Audit and Finance Committee

The Audit and Finance Committee currently consists of three directors, each of whom satisfies the independence requirements set forth in NASD Rule 4200(a)(15) and Rule 10A-3(b)(1) promulgated under the Securities Exchange Act of 1934, as amended. In addition, the Audit and Finance Committee, composed of the directors named in the preceding paragraph, satisfies the requirements of NASD Rule 4350(d)(2). The Board of Directors has also determined that Sidney R. Petersen qualifies for and currently serves as the Committee's "financial expert" for purposes of Item 401(h) of Regulation S-K promulgated by the SEC. The functions of the Audit and Finance Committee are described below under the heading *Audit and Finance Committee Report*. The Audit and Finance Committee operates pursuant to a formal written charter that sets out the functions that this Committee is to perform. The Audit and Finance Committee reviews and reassesses the adequacy of the Audit and Finance Committee Charter on an annual basis. A current copy of the Audit and Finance Committee Charter is available on the Company's web site at www.sypris.com.

Compensation Committee

The Compensation Committee currently consists of three directors, each of whom has no financial or personal ties to the Company (other than director compensation and equity ownership as described in this Proxy Statement) and meets the NASD standard for independence set forth in NASD Rule 4200(a)(15). The functions of the Compensation Committee include administering management incentive compensation plans, establishing the compensation of officers and reviewing the compensation of directors. The Compensation Committee operates pursuant to a formal written charter that sets out the functions that this Committee is to perform. The

Compensation Committee reviews and reassesses the adequacy of the Compensation Committee Charter on an annual basis. A current copy of the Compensation Committee Charter is available on the Company's web site at www.sypris.com.

Executive Committee

The Executive Committee currently consists of four directors. The functions of the Executive Committee include exercising the duties of the full Board of Directors when and if necessary between regular meetings of the Board of Directors. The Executive Committee possesses all of the power of the full Board of Directors, except for certain powers under Delaware law which can only be exercised by the full Board. The Executive Committee operates pursuant to a formal written charter setting out the functions that this Committee is to perform. A current copy of the Executive Committee Charter is available on the Company's web site at www.sypris.com.

Nominating and Governance Committee

The Nominating and Governance Committee currently consists of three directors, two of whom satisfy the independence requirements set forth in NASD Rule 4200(a)(15). William L. Healey, the Chairman of the Nominating and Governance Committee, has submitted his resignation as Chairman and member of the Nominating and Governance Committee due to his current status as a non-independent director, effective at the April 26, 2005 Annual Meeting of Stockholders. The functions of the Nominating and Governance Committee include recommending nominees to the Board of Directors for election as directors of the Company, and evaluating the performance and effectiveness of the Board of Directors, including a periodic assessment of the effectiveness of each of the directors. The Nominating and Governance Committee also makes recommendations to the Board of Directors from time to time as to matters of corporate governance.

The Nominating and Governance Committee employs an independent director profile to describe the process by which candidates for inclusion in the Company's recommended slate of independent director nominees may be selected. The Nominating and Governance Committee takes a number of attributes into account during the nomination process, including an individual's demonstrated leadership, maturity and public company experience. The Nominating and Governance Committee also places a value on building a diversity of viewpoints on the Board. In addition, the Nominating and Governance Committee will consider an individual's integrity and commitment, as well as the candidate's experience in our core market industries, certain targeted knowledge areas, complex multi-industry and/or technological areas and growth manufacturing or service operations.

All nominees for election at this Annual Meeting of Stockholders, except William G. Ferko, were previously elected by stockholders. During 2004, the Board of Directors increased the size of the Board of Directors from eight members to nine members, creating a vacancy. Mr. Ferko, a nominee for election by stockholders at this Annual Meeting, joined the Board of Directors effective January 1, 2005 to fill such vacancy. Mr. Ferko came to the attention of the Nominating and Governance Committee through a recommendation by management. Utilizing the independent director profile and selection process identified above, the Nominating and Governance Committee recommended that the Board of Directors elect Mr. Ferko to the Board.

To date, the Nominating and Governance Committee has not engaged third parties to identify or evaluate potential director candidates. Currently, the Company does not seek or accept director nominations recommended by security holders (other than those directors who are also security holders, acting in their capacity as directors), and has not received any such nominations by any non-director security holders to date.

Compensation of Directors

During 2004, each non-employee director (Henry F. Frigon, R. Scott Gill, Roger W. Johnson, William L. Healey, Sidney R. Petersen and Robert Sroka) received an annual retainer of \$19,000, a fee of \$1,450 for attending each meeting of the Board of Directors (\$300 if attendance was by phone), \$1,400 for acting in the capacity of Chairman for each Committee meeting (\$300 if attendance was by phone) and a fee of \$1,000 for other non-employee directors attending each Committee meeting (\$300 if attendance was by phone). Committee fees were earned regardless of whether Committee meetings were held on the same date as a Board of Directors' meeting date. On March 1, 2005, the Board of Directors increased the annual retainer from \$19,000 to \$20,000 and increased the Committee Chair fee from \$1,400 to \$1,500.

Non-employee directors may elect to receive their annual retainer and meeting fees in the form of stock options. The number of stock options is determined by dividing the annual retainer and fee amount, as applicable, by 33% of the fair market value of Common Stock on the date of grant. During 2004, Roger W. Johnson, Sidney R. Petersen and Robert Sroka elected to receive their annual retainer and meeting fees in the form of stock options, and a total of 15,670 options were granted to these non-employee directors in payment of director fees. Non-employee directors receive grants of stock options in the amount of 10,000 shares upon their initial election as a director and receive annual grants in the amount of 4,500 shares for each year thereafter that they continue to serve as a director. William G. Ferko was granted an option to purchase 10,000 shares on January 1, 2005. All other non-employee directors were granted an option to purchase 4,500 shares following last year's annual stockholders' meeting on April 27, 2004. On March 1, 2005, the Board of Directors increased the annual grant of stock options from 4,500 shares to 6,000 shares. Options are granted to non-employee directors at fair market value on the date of grant, are immediately exercisable and have a 10-year term. During 2004, Sidney R. Petersen exercised 3,030 shares at a weighted average exercise price per share of \$4.76, and Roger W. Johnson exercised 59,522 shares at a weighted average exercise price per share of \$7.59.

All directors are reimbursed for travel and related expenses for attending Board and Committee meetings. Directors who are employees of Sypris or its affiliates are not eligible to receive compensation for services as a director. We provide non-employee directors with travel accident insurance when on Company business.

The code of business conduct details the procedures for confidential and anonymous reporting by employees and emphasizes our policy of non-retaliation. Our code of business conduct can be found on our corporate web site at www.sypris.com. The information on our web site is not part of this Proxy Statement and is not soliciting material.

RELATIONSHIP WITH INDEPENDENT PUBLIC ACCOUNTANTS

Ernst & Young LLP has served as the Company's independent public accountants and auditors since and including the Company's year ended December 31, 1989. Although the Audit and Finance Committee has not yet completed its process for selecting the independent public accountant and auditor for the Company with respect to its 2005 financial statements, the Audit and Finance Committee has approved the interim engagement of Ernst & Young LLP to perform audit and audit-related services with respect to 2005. The Audit and Finance Committee's selection process includes consideration of the following factors: history of and reputation for thoroughness, accuracy, excellence and integrity; reasonableness of fees; continuity of experience with the Company's business, internal controls and accounting issues; and independence. The Audit and Finance Committee has approved the fees described below for non-audit services for 2004 and believes such fees are compatible with the independence of Ernst & Young LLP.

Representatives of Ernst & Young LLP will be present at the Annual Meeting. They will be given an opportunity to make a statement if they desire to do so, and they will be available to respond to appropriate questions after the meeting.

Policy on Audit and Finance Committee Pre-Approval of Audit and Non-Audit Services of Independent Auditor

The Audit and Finance Committee's policy is to pre-approve all audit and non-audit services provided by the independent public accountants and auditors. These services may include audit services, audit-related services, tax services and other services. Pre-approval is generally provided for up to one year, is detailed as to the particular service or category of services and is generally subject to a specific budget. The independent public accountants and auditors and management are required to periodically report to the full Audit and Finance Committee regarding the extent of services provided by the independent public accountants and auditors in accordance with this pre-approval, and the fees for the services performed to date. None of the services provided by the independent public accountants and auditors under the categories Audit-Related, Tax and All Other Fees described above were approved by the Audit and Finance Committee pursuant to the waiver of pre-approval provisions set forth in Rule 2-01(c) of Regulation S-X.

AUDIT AND FINANCE COMMITTEE REPORT

The Audit and Finance Committee met with management periodically during the year to consider the adequacy of the Company's internal controls and the objectivity of its financial reporting. The Audit and Finance Committee discussed these matters with the Company's independent public accountants and auditors and with appropriate Company financial personnel. The Audit and Finance Committee also discussed with the Company's

[Table of Contents](#)

senior management and independent public accountants and auditors the process used for certifications by the Company's chief executive officer and chief financial officer, which is required by the Securities and Exchange Commission and the Sarbanes-Oxley Act of 2002 for certain of the Company's filings with the Securities and Exchange Commission.

The Audit and Finance Committee met privately with both the independent public accountants and auditors and Company financial personnel, each of whom has unrestricted access to the Audit and Finance Committee.

The Audit and Finance Committee appointed Ernst & Young LLP as the independent public accountants and auditors for the Company in 2004 after reviewing the firm's performance and independence from management, among other factors. The Audit and Finance Committee also concluded after a preliminary investigation that it was not advisable during 2004 to initiate a formal process for soliciting competitive proposals.

Management has primary responsibility for the Company's financial statements and the overall reporting process, including the Company's system of internal controls. Ernst & Young LLP, the Company's independent public accountants and auditors, are responsible for performing an independent audit of the Company's financial statements in accordance with generally accepted auditing standards and expressing an opinion on the conformity of those audited financial statements in accordance with U.S. generally accepted accounting principles. The Audit and Finance Committee's responsibility is to monitor and oversee these processes.

The Audit and Finance Committee reviewed with management and Ernst & Young LLP the Company's audited financial statements and met separately with both management and Ernst & Young LLP to discuss and review those financial statements and reports prior to issuance. Management has represented, and Ernst & Young LLP has confirmed, to the Audit and Finance Committee that the financial statements were prepared in accordance with U.S. generally accepted accounting principles.

The Audit and Finance Committee received from and discussed with Ernst & Young LLP the written disclosure and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees). These items relate to that firm's independence from the Company. Ernst & Young LLP has confirmed by letter that, in its professional judgment, it is independent of the Company.

The Audit and Finance Committee also discussed with Ernst & Young LLP matters required to be discussed by the Statement on Auditing Standards No. 61 (Communication with Audit Committees) of the Auditing Standards Board of the American Institute of Certified Public Accountants to the extent applicable. These items relate to the scope and results of their audit of the Company's financial statements.

The Audit and Finance Committee discussed with management and Ernst & Young LLP the quality and adequacy of the Company's internal controls and the overall quality of the Company's financial reporting. The Audit and Finance Committee specifically addressed with management and Ernst & Young LLP management's first annual report regarding the effectiveness of the Company's system of internal controls over financial reporting, management's ongoing responsibilities for establishing and maintaining an adequate system, management's evaluation of any significant deficiencies or material weaknesses in that system, management's process for evaluating the effectiveness of such internal controls and the framework that was used to evaluate the effectiveness of the system.

The Audit and Finance Committee reviewed with Ernst & Young LLP and pre-approved their audit plans, audit scope, identification of audit risks and fees. The Audit and Finance Committee also reviewed and pre-

[Table of Contents](#)

approved all non-audit services performed by Ernst & Young LLP and discussed with the independent public accountants and auditors their independence.

In reliance on the reviews and discussions referred to above, the Audit and Finance Committee recommended to the Board of Directors (and the Board of Directors has approved) that the Company's audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2004.

**PROPOSAL ONE
ELECTION OF DIRECTORS**

The Board of Directors is divided into three classes with terms that expire at successive annual meetings. Three Class III directors will be elected at the Annual Meeting to serve for a three-year term expiring at our annual meeting in 2008 or until their successors have been elected and qualified, or until the earliest of their death, resignation or retirement. Nominee William G. Ferko was elected to the Board of Directors effective January 1, 2005 to serve until this Annual Meeting and to stand for election by stockholders at this Annual Meeting.

Roger W. Johnson, a long-time independent director of the Company, passed away on February 25, 2005. Our Nominating and Governance Committee is conducting a search to identify and evaluate a suitable independent director to fill the vacancy on the Board of Directors resulting from Mr. Johnson's death. Although it will not be possible for his replacement to be included in this Proxy Statement, it is possible that, before the Annual Meeting, another candidate could be appointed by the Board of Directors to fill the vacancy, to serve as a Class II director of the Company with a term expiring in 2007.

We expect each nominee for election as a director at the Annual Meeting to be able to serve if elected. If any nominee is unable to serve, proxies will be voted in favor of the remainder of those nominees and for such substitute nominee as may be selected by the Board of Directors. The persons named as proxies in the accompanying form of proxy have advised us that at the Annual Meeting, unless otherwise directed, they intend to vote the shares covered by the proxies for the election of the nominees named below. The persons named as proxies may not vote for a greater number of persons than the number of nominees named below.

The Board of Directors has nominated William G. Ferko, Jeffrey T. Gill and Sidney R. Petersen to be elected at the Annual Meeting as Class III directors whose terms will expire in 2008.

DEFINED BENEFIT PENSION PLAN

The Company's subsidiary, Sypris Technologies, Inc., maintains the Sypris Technologies, Inc. Retirement Plan for Salaried and Non-Bargaining Unit Employees, a defined benefit pension plan that covers employees whose wages and conditions of employment are not determined by a collective bargaining agreement. Employees hired on or after June 18, 1995 are not eligible to participate in the plan. Effective January 1, 2003, accrued benefits for highly compensated employees were frozen under the plan. Benefits under the plan are based primarily on a participant's years of service and average earnings. Average compensation is based on average monthly compensation during the 60 calendar months of employment, out of the last 120 consecutive months of employment prior to retirement or termination, during which the employee had the greatest aggregate amount of compensation. John M. Kramer's plan benefit, frozen effective January 1, 2003, payable at the normal retirement age of 65, is \$59,011.

COMPENSATION COMMITTEE REPORT

Role of the Compensation Committee

The Compensation Committee's primary responsibilities are to set the Company's compensation principles that serve to guide the design of compensation plans and programs applicable to employees at all levels of the organization. In discharging its role, the Compensation Committee periodically conducts reviews of compensation practices. The Committee annually benchmarks the ongoing competitiveness of the Company's compensation programs in order to evaluate whether they are achieving the desired goals and objectives summarized in this report. The Compensation Committee also reviews the performance of the executive officers and establishes individual compensation levels for each officer, having considered a review of compensation survey data in determining whether the amounts and types of compensation the Company pays its executive officers are appropriate. The Committee is composed entirely of independent, non-employee members of the Board of Directors. No former employees of the Company serve on the Committee.

Executive Compensation Philosophy and Principles

After a review of current compensation data from several independent sources, the Compensation Committee evaluates its current programs and policies against current and emerging competitive practice. The Committee targets overall executive compensation to deliver pay levels at or above the average of a comparison group of comparable public companies. The goal of the compensation program is to attract, motivate and retain the highly talented individuals Sypris needs to provide outstanding products and services to its customers. The Compensation Committee believes that an employee's compensation should be tied to both employee and Company performance against financial goals and individual financial and non-financial performance objectives.

The Compensation Committee makes stock option grants to key employees and has programs that are intended to increase stock ownership among all employees, believing that providing these opportunities aligns the interests of Sypris employees with its stockholders. These programs include stock option and equity plans under which the Compensation Committee may make hiring, retention and discretionary grants to key employees. From 1999 to January 31, 2005, the Compensation Committee offered a stock purchase plan that enabled all employees to purchase Sypris stock at a discount through payroll deductions. During 2004 and 2005, the Compensation Committee undertook a review of the Company's equity granting practices in light of the impending expense requirement pursuant to SFAS 123(R). Until such review has been completed, the Compensation Committee has made the determination to limit discretionary grants of stock options and terminate the stock purchase plan, effective January 31, 2005. In order to attract highly talented employees, the Compensation Committee continued to award stock options to key employees upon employment.

It is the intention of the Compensation Committee that, as long as it is consistent with overall compensation objectives for the Company, all executive compensation will be deductible for federal income tax purposes under Section 162(m) of the Internal Revenue Code, which limits corporate deductions for compensation paid to certain executive officers to \$1 million.

Components of Executive Compensation

The three primary components of the Company's executive compensation program are: base salary, annual incentive awards and equity participation through stock options.

Ø Base Salary

The Compensation Committee sets base salaries for executive officers near the levels it believes to be sufficient to attract and retain qualified executive officers. Base salary adjustments are provided to executive officers based upon an evaluation of each officer's performance and the overall performance of the Company. The Committee also reviews detailed survey data from a number of independent sources and services regarding the base salaries of executive officers in companies of similar size and in similar industries. The Compensation Committee also considers the relative financial performance of those companies, especially with regard to growth in earnings and return on equity. The Committee considers the success of the executive officers in developing and executing the Company's strategic plans, developing management employees and demonstrating leadership. During 2004, an outside consultant was engaged to review total compensation for executive officers. Based upon the recommendation of the outside consultant, the Compensation Committee adjusted base salaries for executive officers to target levels between the 50th and 75th market percentiles of the relevant survey data, to be effective for 2005.

Ø **Annual Incentive Award**

The Compensation Committee believes that a significant proportion of total cash compensation for executive officers should be subject to the attainment of specific Company objectives and specific individual objectives that are established annually. The Committee believes this creates a direct incentive for executive officers to achieve desired performance goals and places a significant percentage of each officer's compensation at risk. Historically, the Compensation Committee established potential bonuses for executive officers at the beginning of each year based upon their ability to achieve planned profit and revenue targets and the achievement of specific operational objectives. For 2004, the Compensation Committee established potential cash bonuses for executive officers from a bonus pool to be generated by an increase in economic value added (EVA) as well as achievement of specific operational objectives.

For 2004, the Compensation Committee established a potential bonus pool for its executive officers and certain other corporate employees composed of 15% of the increase in EVA generated by the Company, with 80% of an individual's potential bonus payable for 2004 and 20% payable in the following year. Declines in EVA in the following year would subject the 20% holdback to forfeiture. For 2004, the Company did not achieve its EVA target and no executive officers qualified for a cash bonus under the 2004 EVA bonus plan.

Ø **Equity Participation Through Stock Options**

The Compensation Committee believes that equity participation is a key component of the executive compensation program of the Company. These awards provide a long-term link between the results achieved for the Company's stockholders and the reward provided to executive officers. Historically, stock options have been granted to executive officers primarily based on the officer's actual and potential contribution to the Company and the practices of other companies of similar size and in similar industries. Option grants were designed to retain executive officers and motivate them to enhance stockholder value by aligning their interests with those of the Company's stockholders. Stock options also provide an effective incentive for management to create long-term stockholder value since the full benefit of the compensation package cannot be realized unless there is an appreciation in the price of the Company's stock over time. It is the Compensation Committee's intention to continue its study of stock-based compensation and make appropriate changes, if any, to the stock option granting program.

No stock options were granted to executive officers during 2004 except for one bonus grant of stock options made in February 2004 to an executive officer based upon 2003 performance.

Compensation of the Chief Executive Officer

The Compensation Committee determined the salary and bonus received by Jeffrey T. Gill, the President and Chief Executive Officer of the Company, for services rendered in 2004. The Compensation Committee made the determination based upon the executive compensation policies and components described above. Mr. Gill received a base salary of \$435,000 for 2004. This salary was not tied to specific performance criteria, but the Compensation Committee determined such salary to be appropriate based upon its survey of salaries paid to peers, attainment of financial and non-financial corporate objectives and other factors. Mr. Gill did not participate in the 2004 EVA bonus plan. The Compensation Committee did not grant any stock options to Mr. Gill in 2004.
