

Sypris Solutions, Inc. Fourth Quarter Conference Call on the Internet

March 27, 2009

LOUISVILLE, Ky.--(BUSINESS WIRE)--Mar. 27, 2009-- Sypris Solutions, Inc. (Nasdaq/NM:SYPR) will provide an online, real-time webcast and rebroadcast of its conference call for the fourth quarter and year-end financial results for 2008 on Tuesday, March 31, 2009.

The live broadcast of Sypris Solutions' quarterly conference call will be available online at www.sypris.com or www.earnings.com on March 31, 2009, beginning at 9:00 a.m. (Eastern Time). The online replay will be available at approximately 11:00 a.m. (Eastern Time) and continue for 30 days.

Related presentation materials will be posted to the "Investor Information" section of the Company's web site at www.sypris.com, located under the sub-heading "Upcoming Events," prior to the call. The presentation materials will be in Adobe Acrobat format. A copy of the Company's press release announcing its earnings and any other financial and statistical information about the period to be presented in the conference call will be available at the section of the Company's web site entitled "News Releases" at www.sypris.com.

Sypris Solutions is a diversified provider of technology-based outsourced services and specialty products. The Company performs a wide range of manufacturing and technical services, typically under multi-year, sole-source contracts with major corporations and government agencies in the markets for aerospace and defense electronics, truck components and assemblies, and for users of test and measurement equipment.
