PROXY STATEMENT

We are providing this Proxy Statement to you in connection with the solicitation by the Board of Directors of Sypris Solutions, Inc. (the "Board") of proxies to be voted at our 2024 annual meeting of stockholders and at any postponement or adjournment thereof. In this Proxy Statement, we refer to Sypris Solutions, Inc. as "Sypris," "Sypris Solutions," "we," "our" or "the Company." We refer to our 2024 annual meeting of stockholders as the "Annual Meeting."

You are cordially invited to attend the Annual Meeting on June 5, 2024, beginning at 11:00 a.m. Eastern Time. The Annual Meeting will be held at the Residence Inn by Marriott, 401 Bullitt Lane, Rock Bridge Room, Louisville, Kentucky 40222.

We are first mailing or giving this Proxy Statement on or about April 26, 2024, to holders of our common stock ("Common Stock") at the close of business on April 15, 2024, which is the "Record Date" for the Annual Meeting.

Proxies, Quorum and Voting Procedures

Proxies

Stockholders of Record: Shares Registered in Your Name

Your vote is important. If you are a stockholder of record, you may (a) vote in person at the meeting, (b) vote by proxy using the enclosed proxy card, (c) vote by proxy over the telephone, or (d) vote by proxy on the Internet, in each case as described below. You may still attend the annual meeting and vote in person even if you have already voted by proxy. In order to vote over the Internet or by telephone, please call the number or go to the website identified on the enclosed proxy card and follow the instructions. The internet and telephone voting facilities will close at 12:01 a.m. Eastern Time on June 5, 2024.

You can revoke your proxy at any time before it is exercised by timely delivery of a properly executed, later dated proxy (including an Internet or telephone vote before the deadline) or by voting by ballot at the Annual Meeting. Simply attending the Annual Meeting will not, by itself, revoke your proxy.

Beneficial Owner: Shares Registered in the Name of Broker, Bank or Other Nominee

If you are a beneficial owner of shares registered in the name of your broker, bank or other nominee, you should have received a voting instructions card with these proxy materials from that organization rather than from us. Simply complete and mail the voting instructions card to your broker, bank or other nominee to ensure that your vote is counted. Alternatively, you may vote by telephone or over the Internet as instructed by your broker, bank or other nominee. To vote in person at the Annual Meeting, you must obtain a legal proxy from your broker, bank or other nominee. Follow the instructions from your broker, bank or other nominee included with these proxy materials, or contact your broker, bank or other nominee to request a legal proxy.

Quorum

The Amended and Restated Bylaws of the Company provide that the holders of a majority of the issued and outstanding shares of Common Stock present in person or by proxy and entitled to vote at the Annual Meeting are necessary to constitute a quorum. Abstentions are counted as present and entitled to vote for purposes of

[Table of Contents](#)

determining whether a quorum exists, but shares held by a broker, bank or other nominee and not voted on any matter will not be counted for such purpose. **Therefore, if you hold shares through a broker, bank or other nominee it is important that you contact your broker, bank or other nominee with your voting instructions. If there is no quorum, the holders of a majority of shares present at the meeting in person or represented by proxy may adjourn the meeting to another date.**

Required Vote

All shares entitled to vote and represented by proxies received prior to the Annual Meeting, and not revoked, will be voted at the Annual Meeting in accordance with the instructions provided. If you hold shares through an account with a broker, bank or other nominee, and you fail to provide voting instructions to your broker, bank or other nominee either using your voting instruction card or by telephone or over the Internet in accordance with the instructions provided, then your shares will not be voted with respect to any of the proposals being considered at the Annual Meeting. **Therefore, if you hold shares through a broker, bank or other nominee it is important that you provide your broker, bank or other nominee with your voting instructions.**

Election of Directors

Under Delaware law and our Amended and Restated Bylaws, the two nominees who receive the greatest number of votes cast by stockholders, entitled to vote at the meeting, for the election of Class I directors will be elected at the conclusion of the tabulation of votes. **A “withhold” vote with respect to the election of one or more directors will not affect the outcome of the election of directors.**

Advisory Vote on Executive Compensation

The affirmative vote of a majority of the shares present in person or by proxy and entitled to vote on the matter is required for the advisory approval of the Company’s named executive officer compensation. In determining whether the proposal has received the requisite number of affirmative votes, abstentions will not be counted and will have the same effect as a vote against the proposal. This proposal is advisory in nature, which means that it is not binding on the Board or the Compensation Committee. However, the Board and the Compensation Committee will review the voting results and take them into consideration when making future decisions regarding executive compensation.

If you submit a proxy card but do not indicate how your shares should be voted on a matter, the shares represented by your proxy will be voted as the Board recommends. If any other matters are properly presented for consideration at the Annual Meeting, including, among other things, consideration of a motion to adjourn the meeting to another time and/or place in order to solicit additional proxies in favor of the recommendations of the Board of Directors, the persons named as proxies and acting thereunder will have discretion to vote on those matters according to their best judgement to the same extent as the person delivering the proxy. As of the date of this Proxy Statement, we did not anticipate that any other matters would be raised at the Annual Meeting.

Stockholders Entitled to Vote

Holders of Common Stock at the close of business on April 15, 2024, the Record Date, are entitled to receive notice of and to vote at the Annual Meeting. Each share of Common Stock is entitled to one vote on each matter properly brought before the meeting. Stockholders do not have the right to cumulate their votes in the election of directors.

At the close of business on the Record Date, there were 22,773,708 shares of Common Stock outstanding. A list of stockholders entitled to vote at the Annual Meeting will be available for a period of ten days ending on the day before the date of the Annual Meeting at the Company’s offices at 101 Bullitt Lane, Suite 450, Louisville, Kentucky 40222, between 8:30 a.m. and 5:30 p.m. local time.

Gill Family

As of the Record Date, the Gill family beneficially owned an aggregate of 9,100,490 shares or approximately 39.4% of the Company's outstanding Common Stock. For additional information on ownership of Common Stock by the Gill family, see the heading Stock Ownership of Certain Beneficial Owners and Management.

Multiple Stockholders Sharing the Same Address

Multiple stockholders who share a single address will receive only one Annual Report on Form 10-K and Proxy Statement at that address. This practice, known as "householding," reduces printing and postage costs. However, if you wish to receive a separate copy of the Annual Report on Form 10-K or Proxy Statement in the future, you may contact your broker, bank or other nominee directly or contact Sypris at 101 Bullitt Lane, Suite 450, Louisville, Kentucky 40222 or at 502-329-2000. If you are receiving multiple copies of our Annual Report on Form 10-K and Proxy Statement, you can request householding by contacting your bank, broker or other nominee directly or by contacting Sypris in the same manner described above.

Cost of Proxy Solicitation

Sypris will pay the cost of soliciting proxies. Sypris may reimburse brokerage firms and other persons representing beneficial owners of shares for expenses incurred in forwarding solicitation materials to such beneficial owners. Proxies may be solicited on behalf of the Company by directors, officers or employees of the Company, without additional compensation, in person or by telephone, facsimile or other electronic means.

Notice Regarding Availability of Proxy Materials

In accordance with the rules of the Securities and Exchange Commission ("SEC"), we are advising our stockholders of the availability on the Internet of our proxy materials related to the Annual Meeting described above. These rules allow companies to provide access to proxy materials in one of two ways – by either providing stockholders notice of the availability of the materials via the Internet or by delivering a full set of the materials to stockholders. Because we have elected to utilize the "full set delivery" option, we are delivering to all stockholders paper copies of all the proxy materials, as well as providing access to those proxy materials on a publicly accessible website. The notice of the Annual Meeting of Stockholders, Proxy Statement, form of proxy card and 2023 Annual Report on Form 10-K are available at www.sypris.com/proxy-materials.

GOVERNANCE OF THE COMPANY

Board of Directors

Our Board of Directors has adopted the Sypris Solutions, Inc. Guidelines on Corporate Governance (the “Guidelines”). The Guidelines provide a framework for the Company’s corporate governance initiatives and cover topics including, but not limited to, Board and committee composition and operations, director compensation, related person transactions and risk management. The Nominating and Governance Committee is responsible for overseeing and reviewing the Guidelines on an annual basis and reporting any recommended changes to the Board. A copy of the Guidelines is available on the Company’s website at www.sypris.com.

During 2023, the Board held five regular meetings and one special meeting, the Audit and Finance Committee held four regular meetings and two special meetings, the Compensation Committee held four regular meetings and two special meetings, and the Nominating and Governance Committee held three meetings. All directors attended 100% of the Board meetings and more than 80% of the meetings of the committees of which they are members. Although the Company does not have a policy regarding attendance by directors at the Company’s annual meeting of stockholders, five of the non-employee directors attended the 2023 Annual Meeting by teleconference and Jeffrey T. Gill attended in person.

Independence

The Board has determined that Gary L. Convis, William G. Ferko, William L. Healey and Robert Sroka are “independent” as defined by Nasdaq’s listing standards. Each of our Audit and Finance, Compensation, and Nominating and Governance Committees is composed only of independent directors as identified below under the heading “Committees of the Board of Directors.”

In December 2023, the independent directors selected Robert Sroka to serve an additional one-year term as Lead Independent Director. Mr. Sroka, as Lead Independent Director, presides over executive sessions of the Board in which only independent directors participate. Additional information regarding the role of the Lead Independent Director is provided below under the heading “Board Leadership and Risk Oversight.” Stockholders and other parties interested in communicating directly with the Lead Independent Director, or with the independent directors as a group, may do so by writing to the Lead Independent Director, c/o Sypris Solutions, Inc. 101 Bullitt Lane, Suite 450, Louisville, Kentucky 40222.

Communications with Stockholders

Our Board welcomes communications from our stockholders. Stockholders may send communications to the Board or to any director in particular, c/o Sypris Solutions, Inc., Corporate Secretary, 101 Bullitt Lane, Suite 450, Louisville, Kentucky 40222. The Secretary will review each stockholder communication. The Secretary will forward to the entire Board (or to members of a Board committee, if the communication relates to a subject matter clearly within the committee’s area of responsibility) each communication that (a) relates to the Company’s business or governance, (b) is not offensive and is legible in form and reasonably understandable in content, and (c) does not merely relate to a personal grievance against the Company or a team member or further a personal interest not shared by the other stockholders generally.

Committees of the Board of Directors

During 2023, the Board had three standing committees comprised of entirely independent directors: the Audit and Finance Committee, the Compensation Committee and the Nominating and Governance Committee.

Audit and Finance Committee

The current members of the Audit and Finance Committee are Gary L. Convis, William G. Ferko, William L. Healey, and Robert Sroka (Chairman). Each member of the Audit and Finance Committee satisfies the

[Table of Contents](#)

additional requirements of the SEC and Nasdaq for audit committee membership, including the heightened independence requirements and the financial literacy requirements. The Board of Directors has also determined that Gary L. Convis, William G. Ferko, William L. Healey, and Robert Sroka each qualify as an “audit committee financial expert” as defined by SEC rules. During 2023, the Audit and Finance Committee met six times. The Audit and Finance Committee is responsible for the appointment of independent auditors, discussing the scope of the auditor’s examination, reviewing financial statements and consulting with the independent auditors on the adequacy of internal controls. The Audit and Finance Committee also provides oversight with regard to the Company’s debt and credit arrangements, acquisitions, divestitures and proposals for changes in the Company’s capitalization and financing strategies. The functions of the Audit and Finance Committee are more fully described below under the heading Audit and Finance Committee Report. The Audit and Finance Committee operates pursuant to a formal written charter that sets out the committee’s duties and responsibilities. The Audit and Finance Committee reviews and reassesses the adequacy of the Audit and Finance Committee Charter on an annual basis. The Audit and Finance Committee Charter is available on the Company’s website at www.sypris.com.

Compensation Committee

The current members of the Compensation Committee are Gary L. Convis, William G. Ferko and William L. Healey (Chairman). During 2023, the Compensation Committee met six times. Each member of the Compensation Committee satisfies the heightened independence requirements of the Nasdaq for compensation committee membership. The functions of the Compensation Committee include administering management incentive compensation plans, establishing the compensation of executive officers and reviewing the compensation of directors. The Compensation Committee generally approves equity awards for the Company’s other employees and non-equity compensation for the Company’s executive officers. However, the Compensation Committee has delegated to the Company’s Chief Executive Officer the discretion to award to non-executive employees in any one calendar year up to 100,000 stock options in the aggregate, with a maximum individual award of 10,000 stock options. The Company’s Chief Executive Officer, with assistance from the Corporate Director of Human Resources and his support staff, provides recommendations to the Compensation Committee regarding compensation for those employees reporting directly to the Chief Executive Officer. However, the Compensation Committee retains full authority to modify any compensation recommendations by the Chief Executive Officer or other members of management.

In 2023, the Company’s management engaged Pearl Meyer & Partners (“Pearl Meyer”), a compensation consulting firm, to assist the Compensation Committee in reviewing total compensation for the Company’s named executive officers and other key employees. Independent compensation benchmark resources were leveraged in reviewing total compensation for the Company’s directors during 2023. In prior years, Pearl Meyer provided the Compensation Committee with market data and other relevant information to consider when making compensation decisions regarding the Chief Executive Officer, the Company’s other executives and the directors. The Compensation Committee, with or without management in attendance, has direct access to Pearl Meyer at its request for reviews of various issues related to executive compensation or director compensation. The Company’s management has also engaged Pearl Meyer from time to time for assistance with general trends in employee compensation and requested clarification on the appropriate compensation benchmarks for unique or “hybrid” job descriptions. Pearl Meyer’s work in this area did not raise any conflict-of-interest concerns for the fiscal year 2023 or prior years based on a review of fees paid and disclosures provided by Pearl Meyer in an annual written questionnaire delivered to the Company. For compensation decisions affecting 2024, the Company and the Compensation Committee intend to continue to utilize the assistance of Pearl Meyer.

The Compensation Committee operates pursuant to a formal written charter that sets out the functions that it is to perform. The Compensation Committee reviews and reassesses the adequacy of the Compensation Committee Charter on an annual basis. A copy of the Compensation Committee Charter is available on the Company’s website at www.sypris.com.

[Table of Contents](#)

Nominating and Governance Committee

The current members of the Nominating and Governance Committee are Gary L. Convis (Chairman), William G. Ferko and Robert Sroka. During 2023, the Nominating and Governance Committee met three times. The functions of the Nominating and Governance Committee include reviewing and recommending nominees to the Board for election as directors of the Company and evaluating the performance and effectiveness of the Board. The Nominating and Governance Committee also makes recommendations to the Board from time to time as to matters of corporate governance.

The Nominating and Governance Committee employs a basic selection criteria to assess candidates for inclusion in the Company's recommended slate of independent director nominees. The Nominating and Governance Committee expects qualified candidates will have high personal and professional integrity and ability and will be able to contribute to the Board's effectiveness in serving the interests of the Company's stockholders. The Nominating and Governance Committee takes a number of attributes into account during the nomination process, including an individual's demonstrated leadership, maturity and public company experience. The Nominating and Governance Committee also takes into account developing a diversity of religion, races, gender, nationality, educational backgrounds, and experiences on the Board, which can have a positive impact on the business. A mix of talents, backgrounds, experiences and geographic locations of the individual Board members is also important and is considered in the evaluation of potential candidates. In addition, the Nominating and Governance Committee will consider a candidate's experience in our core market industries, certain targeted knowledge areas, complex multi-industry and/or technological areas and manufacturing or service operations.

The nominees for election at the Annual Meeting, R. Scott Gill and William L. Healey are currently serving as a directors and were previously elected by stockholders. To date, the Nominating and Governance Committee has not engaged third parties to identify or evaluate potential director candidates. Currently, subject to any rights stockholders have to nominate director candidates under our Amended and Restated Bylaws, the Company's policy is not to seek or accept director nominations recommended by security holders (other than those directors who are also security holders, acting in their capacity as directors), and has not received any such nominations by any non-director security holders to date. Due to the Company's current size, market position and historically low rates of director turnover, the policy of the Nominating and Governance Committee has been to develop and maintain contacts with potential candidates for future membership on the Board of Directors, primarily through the business relationships of the Company's current and former officers and directors. The Board and the Nominating and Governance Committee understand the value of cognitive diversity and will ensure that the pool of candidates from which a nominee is chosen consists of a diverse group of qualified candidates, including candidates who would bring gender, racial and/or ethnic diversity to the Board. In light of recent efforts to streamline and refocus the Company, the Board will consider whether to fill any vacancy, which develops in connection with any director's resignation, retirement or death, on a case-by-case basis.

The Nominating and Governance Committee operates pursuant to a formal written charter that sets out the committee's functions. The Nominating and Governance Committee reviews and reassesses the adequacy of the Nominating and Governance Committee Charter on an annual basis. A copy of the Nominating and Governance Committee Charter is available on the Company's website at www.sypris.com.

Anti-Hedging and Anti-Pledging Policies

The Board has adopted, as part of the Company's insider trading and securities compliance policy, prohibitions against directors, officers and other employees from purchasing financial instruments (including prepaid variable forward contracts, equity swaps, collars, and exchange funds), or otherwise engaging in transactions, that hedge or offset, or are designed to hedge or offset, any decrease in the market value of the Company's equity securities.

The Board has also adopted, as part of the Company's insider trading and securities compliance policy, a prohibition against officers, directors and certain designated employees from pledging Company securities as collateral for a loan or other financing arrangement including, in a margin account, without first seeking the pre-approval of the Audit and Finance Committee.

Board Leadership and Risk Oversight

The Board consists of our Chairman of the Board, President and Chief Executive Officer, Jeffrey T. Gill, R. Scott Gill and four independent directors. The independent directors annually select a Lead Independent Director. Our independent directors meet in executive session, chaired by our Lead Independent Director, several weeks in advance of each regularly scheduled Board meeting. During 2023, the Lead Independent Director presided over six such meetings, reported to the Board on the results of such meetings and periodically inquired of the independent directors with any ongoing changes in their respective biographies, any related person transactions and any potential conflicts of interest. The Board has three standing committees – Audit and Finance, Compensation, and Nominating and Governance, each of which is comprised solely of independent directors.

The Board with and through its committees is actively involved in oversight of risks that could affect the Company. While the oversight of certain risks related to compensation, financial or governance matters are conducted primarily through designated committees of the Board, as disclosed more fully in the charters of each of such committees, the full Board has retained responsibility for general oversight of risks. The Board satisfies this responsibility through reports by each committee chair regarding the committee's considerations and actions, as well as through regular reports directly from officers responsible for oversight of particular risks within the Company. The Board also has direct access to the Company's officers to further inquire about risks between meetings with such reports.

The Audit and Finance Committee is generally responsible for oversight of the Company's relationship with its independent public accountants, financial reporting and internal controls, debt and credit agreements, privacy and cybersecurity and other financial compliance matters, including the risk associated with such areas and the Company's risk mitigation strategies. The Compensation Committee is generally responsible for oversight of the recruitment, retention and motivation of the Company's executive management and other employees, including compensation and incentive compensation plans, performance evaluation processes and succession planning matters for officers and other key personnel, including associated risks with such areas. The Nominating and Governance Committee is generally responsible for succession planning matters for directors, oversight of the nominating and self-evaluative processes with respect to service on the Board, oversight of the Company's activities relating to environmental, social and governance (ESG) matters, and the external reporting thereof, and for oversight of other corporate governance matters, including the associated risks with such areas.

The Board reviews and determines the best board leadership structure for the Company at least annually. As part of the Board's periodic self-evaluation process, the Board evaluates its leadership structure to confirm that the Board continues to believe that it provides an effective and efficient structure for overseeing management and serving the best interests of the Company and stockholders.

The Company's President and Chief Executive Officer, Jeffrey T. Gill, has served as the Chairman of the Board since October 2016. We believe this board leadership structure to be effective in providing continuity, oversight and strategic direction to the Company. By serving as Chairman of the Board, President and Chief Executive Officer, Jeffrey T. Gill is positioned to contribute his extensive knowledge of Sypris' business operations and market environment to the Board. Further, by having independent chairs and independent membership for each of the Audit and Finance, Compensation and Nominating and Governance Committees, as well as a Lead Independent Director, the Board also has a structure to provide significant independent and objective oversight in key areas. Together with regular executive planning, analysis and reporting, we believe that this structure will continue to provide the Company with both strong leadership and effective Board oversight of the material risks and opportunities facing the Company on an ongoing basis.

Code of Conduct

We have a corporate responsibility and compliance program which includes a written code of conduct. We require all employees, including all officers and senior level executives, to adhere to our code of conduct in addressing the legal and ethical issues encountered in conducting their work. The code of conduct requires each of our employees to avoid conflicts of interest, comply with all laws and other legal requirements, conduct business in an honest, fair and ethical manner and otherwise act with integrity. Employees are required to report any conduct they believe to be an actual violation of the code of conduct or other Company policies and procedures. The code of conduct details the procedures for confidential and anonymous reporting by employees and emphasizes our policy of non-retaliation. Our code of conduct can be found on our corporate website at www.sypris.com. We intend to post amendments to or waivers from our code of conduct (to the extent applicable to our principal executive officer, principal financial officer, principal accounting officer or controller) on our website.

Transactions with Related Persons

The Company's code of conduct requires all directors, executive officers and other employees of the Company to disclose and seek prior approval, generally from their supervisor, of any transaction with a related person. The Company's directors, including the Chairman, President and Chief Executive Officer, must report any potential conflict of interest to the Audit and Finance Committee in accordance with the Guidelines and the Audit and Finance Committee Charter. The other executive officers must report any potential conflict of interest to the President and Chief Executive Officer. The Audit and Finance Committee, in its discretion, may approve, ratify or reject the transaction or refer the transaction to the full Board or other appropriate committee of the Board. In addition, the Company requires each director, director nominee and executive officer to disclose any transactions involving related parties, or other potential conflicts of interest, in an annual written questionnaire. For 2023, with the exception of the information reported below, no related person transactions (as defined in Item 404(a) of Regulation S-K) were reported or otherwise discovered by the Company.

We have described below certain transactions that involve directors and executive officers of the Company and their affiliates, which were reported and reviewed following the procedures described above.

On November 10, 2023, Company and certain of its subsidiaries amended and restated its Amended and Restated Promissory Note dated December 29, 2021 with Gill Family Capital Management, Inc. ("GFCM"), (the "2023 Promissory Note"). Pursuant to the 2023 Promissory Note, GFCM made a \$2,500,000 loan to the Company to bring the total amount of the principal up to \$6,500,000.00, including earlier loans from transactions during 2015 and 2016. The 2023 Promissory Note also (i) extended the maturity dates for \$2,000,000 of the obligation to April 1, 2025, \$2,000,000 to April 1, 2026 and the balance of \$2,500,000 to April 1, 2027, (ii) adjusted the interest rate beginning on November 10, 2023 to 9.56% and on each April 1 thereafter, to reflect the greater of 8% or 500 basis points above the five-year Treasury note average during the previous 90-day period, and (iii) allowed for the deferral of payment for up to 60% of the quarterly interest due on the 2023 Promissory Note to April 1, 2025. On February 7, 2024, the Company amended and restated the 2023 Promissory Note with GFCM (the "2024 Promissory Note"). Pursuant to the 2024 Promissory Note, GFCM made an additional \$2,500,000 loan to the Company to bring the total amount of the principal up to \$9,000,000 and increasing the amount due on April 1, 2027 by \$2,500,000 to \$5,000,000. Mr. Jeffrey T. Gill and Mr. R. Scott Gill are the principal shareholders of GFCM, and serve as its Co-Presidents and Treasurer and Secretary, respectively.

As of the Record Date, the total interest paid under the 2024 Promissory Note was \$4,479,062 and the total outstanding principal and accrued interest was \$9,207,391. The 2024 Promissory Note contains no pre-payment penalties.

RELATIONSHIP WITH INDEPENDENT PUBLIC ACCOUNTANTS

Crowe LLP has served as the Company's independent registered public accounting firm since and including 2014. Although the Audit and Finance Committee has not yet completed its process for selecting the independent public accountant for the Company with respect to its 2024 financial statements, the Audit and Finance Committee has approved the interim engagement of Crowe LLP to perform audit and audit-related services with respect to the first quarter of 2024. The Audit and Finance Committee's selection process includes consideration of the following factors: continuity of experience with the Company's business, internal controls and technical accounting experience; independence; history of and reputation for thoroughness, accuracy, excellence and integrity; and reasonableness of fees. The Audit and Finance Committee has approved the fees described below. The Audit and Finance Committee believes that the fees paid for non-audit services are compatible with the independence of Crowe LLP.

Representatives of Crowe LLP will be present at the Annual Meeting. They will be given an opportunity to make a statement, if they desire to do so, and they will be available to respond to appropriate questions after the meeting.

Policy on Audit and Finance Committee Pre-Approval of Audit and Non-Audit Services of Independent Public Accountants

The Audit and Finance Committee's policy is to pre-approve all audit and non-audit services provided by the independent public accountants, either by a majority vote at any meeting of the committee at which a quorum is present or by the committee's authorized delegate for approvals between meetings, all of which are reported to the committee at its next meeting. These services may include audit services, audit-related services, tax services and other services. With some exceptions for certain longer-term projects, pre-approval is generally provided for up to one year and is detailed as to the particular service or category of services and is generally subject to a specific budget. The independent public accountants and management are required to periodically report to the Audit and Finance Committee regarding the extent of services provided by the independent public accountants in accordance with this pre-approval, and the fees for the services performed to date.

AUDIT AND FINANCE COMMITTEE REPORT

The Audit and Finance Committee met with management periodically during the year to consider the adequacy of the Company's internal control over financial reporting and the objectivity of its financial reporting. The Audit and Finance Committee discussed these matters with the Company's independent public accountants and with appropriate Company financial personnel. The Audit and Finance Committee also discussed with the Company's senior management, and independent public accountants and auditors, the processes used to support the certifications by the Company's Chief Executive Officer and Chief Financial Officer, which are required by the SEC and the Sarbanes-Oxley Act of 2002 of the Company's periodic reports filed with the SEC.

The Audit and Finance Committee met privately with both the independent public accountants and Company financial personnel, each of whom has unrestricted access to the Audit and Finance Committee.

Management has primary responsibility for the Company's financial statements and the overall reporting process, including the Company's system of internal control over financial reporting. The Company's independent public accounting firm is responsible for performing an independent audit of the Company's financial statements in accordance with U.S. generally accepted auditing standards and expressing an opinion on the conformity of those audited financial statements to U.S. generally accepted accounting principles. The Audit and Finance Committee is responsible for monitoring and overseeing these processes.

The Audit and Finance Committee reviewed with management and Crowe LLP the Company's draft of Annual Report on Form 10-K for the year ended December 31, 2023, including the Company's audited financial statements, and met separately with both management and Crowe LLP to discuss and review those materials prior to issuance and filing with the SEC. Management has represented, and Crowe LLP has confirmed, to the Audit and Finance Committee that the financial statements were prepared in accordance with U.S. generally accepted accounting principles.

The Audit and Finance Committee also discussed with Crowe LLP the matters required to be discussed by the applicable requirements of the United States Public Company Accounting Oversight Board ("PCAOB").

In addition, the Audit and Finance Committee has received from the independent public accountants the written disclosures and the letters required by applicable requirements of the PCAOB regarding the independent public accountant communications with the Audit and Finance Committee concerning independence, has discussed with the independent public accountants their independence from the Company and its management, and has considered whether the independent public accountants' provision of non-audit services to the Company is compatible with maintaining the auditor's independence. Crowe LLP has confirmed by letter that, in their professional judgment, they are independent of the Company. The Audit and Finance Committee is not aware of any issues which could impair the independence of Crowe LLP.

The Audit and Finance Committee reviewed and pre-approved Crowe LLP's proposed audit plans, audit scope, identification of audit risks and fees, either by vote of the committee or by approval of the committee's authorized delegate acting between meetings. The Audit and Finance Committee also reviewed and pre-approved all non-audit services performed by Crowe LLP.

In reliance on the reviews and discussions referred to above, the Audit and Finance Committee recommended to the Board of Directors (and the Board of Directors has approved) that the Company's audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2023.

- (2) The amounts in column (i) include the aggregate dollar amounts of all perquisites and other compensation offered by the Company which included the Company’s 401(k) matching contributions, premiums on executive life insurance, premiums on long-term disability insurance, premiums for long-term care insurance (for Mr. Gill and his spouse), taxes owed with respect to payments relating to such insurance policies, a car allowance for Mr. J. T. Gill, and other routine perquisites, including complimentary or discounted food and drink, entertainment and related travel, clothing, gifts or similar benefits which in the aggregate are less than \$2,000 in value per year.

Compensation Overview

The fundamental objectives of the Company’s executive compensation program are: to attract, retain and motivate highly competent executives necessary for Sypris’ growth and leadership and to foster the creation of stockholder value through close alignment of the financial interests of executives with those of Sypris’ stockholders. The main components of the Company’s executive compensation program for 2023 were annual salaries and long-term incentives consisting of non-qualified stock option awards.

In 2023 the Compensation Committee determined to moderately increase the base salaries for Messrs. J.T. Gill, Davis and Allen effective July 1, 2023 in amounts of 1.96%, 3.4% and 3.0%, respectively, to \$520,000, \$302,000, and \$206,000, respectively. The base salary compensation for Mr. Allen was previously reduced during October of 2022 following his appointment to the position of Vice President and Treasurer from his prior position of Chief Financial Officer. In addition, the Compensation Committee awarded annual grants of stock options for Messrs. J.T. Gill, Davis and Allen in amount of 200,000, 62,500 and 50,000 options, respectively. The Company and the Compensation Committee will continue to evaluate the Company’s compensation structure to assure that it remains competitive for the size and scope of the organization.

In lieu of a cash bonus program for 2023, the Compensation Committee approved grants of nonqualified stock options that were subject to the satisfaction of service-vesting and performance-vesting conditions (“2023 Performance Option Awards”) to the named executive officers of the Company (the “NEOs”) and certain other key employees pursuant to the 2020 Sypris Omnibus Plan and the 2023 Performance-Vesting Non-Qualified Stock Option Award Agreement (the “2023 Award Agreement”). The calculation of the number of options that satisfied the Performance-Vesting Criteria was generally calculated on a quarter by quarter basis, but after

[Table of Contents](#)

completion of the calendar year (i) if Pre-Tax Income (as defined in the 2023 Award Agreement) for a particular quarter was at least equal to 81% of the Pre-Tax Income target amount of the Company's annual operating plan (the "Pre-Tax Income Target Amount") for such calendar quarter, the NEO was eligible to vest in the threshold number of options for such calendar quarter, subject to the NEO's continued employment through April 1, 2024 (the "Service-Vesting Criteria"); (ii) if Pre-Tax Income for a particular calendar quarter in 2023 was at least equal to 90% of the Annual Operating Plan Pre-Tax Income Target Amount for such calendar quarter, the NEO was eligible to vest in the maximum number of options for such calendar quarter, subject to satisfaction of the Service-Vesting Criteria; (iii) in the event that partial or full vesting for a calendar quarter was not attained, the options for any such calendar quarter would nonetheless remain eligible to become partially or fully vested to the extent the Cumulative 2023 Pre-Tax Income Target Amount (as defined in the 2023 Award Agreement) was attained at the threshold (i.e., 81%) or maximum (i.e., 90%) level, as applicable. If the Cumulative 2023 Pre-Tax Income Target Amount was not achieved at at least the 70% level, then no options would satisfy the Performance-Vesting Criteria, notwithstanding the attainment of any of the quarterly Pre-Tax Income target amounts described above. The Compensation Committee reviewed the Pre-Tax Income targets for each calendar quarter in 2023 and for calendar year 2023, (the "Performance-Vesting Criteria"), and determined that the Cumulative 2023 Pre-Tax Income Target Amount was not attained. Therefore, the NEOs were not eligible to vest in the threshold number of options for any of the calendar quarters of 2023 and the awards were forfeited.

2024 Compensation Changes

Effective April 1, 2024 the Compensation Committee approved a grant of non-qualified stock options for the President and CEO and grants of restricted stock to Mr. Davis and Mr. Allen, but as of the date of this proxy statement, the Compensation Committee has not determined if it will recommend adjustments to base salaries during 2024 for executive officers. The Compensation Committee has determined it will continue to forego annual cash bonus awards for 2024.

401(k) Program

All employees in the United States not covered by a collective bargaining agreement, including the NEOs, are automatically enrolled in the Company's 401(k) retirement savings plan ("401(k) Plan"), a tax-qualified plan. Employees may opt out of the plan or may elect to change their contribution in increments of 1% of pre-tax salary. Those employees who are covered by a collective bargaining agreement are also automatically enrolled in the Company's 401(k) Plan in accordance with the terms of each such respective agreement. Under the plan, the Company generally will match 50% of each employee's contributions, up to a maximum Company discretionary contribution of 3% of eligible salary.

Annual Bonus Plan and Equity Awards

The Board did not approve an annual cash bonus plan for 2022 or 2023 nor does the Board intend to approve a bonus plan for 2024 as of the date of this proxy statement.

On an annual basis, over the past several years, grants of time-based equity or stock options have been issued to executive officers and other key employees under the 2020 Sypris Omnibus Plan. When considering grants, the Compensation Committee exercises judgment and discretion, looking at each executive's scope of responsibility and individual performance as well as the performance of the Company, and also considers previous stock award grants to align generally with its overall compensation philosophy. The estimated long-term economic value of each grant is targeted in bands of share award levels, to be approximately equal to the 50th percentile of comparable equity awards, as indicated by market survey information provided by external compensation survey analytic firms including Pearl Meyer. In 2022 and 2023, the Compensation Committee determined to utilize time-based equity grants in the form of restricted stock awards and stock options, respectively. The Compensation Committee believes that the use of time-based equity and stock options better aligns our executives with our goals of successfully transitioning through our current business challenges and expanding the business in our targeted markets. The value of the restricted stock awards and stock option grants to Messrs. Allen, Davis and J.T. Gill during 2022 and 2023 were below the 25th and 50th percentiles, respectively,

[Table of Contents](#)

of peer equity compensation targets due to the Company's view of the long-term value of our Common Stock. The initial recommendations for these equity awards are developed by the Company's Corporate Director of Human Resources and the Chairman, President and Chief Executive Officer. All awards to executive officers of equity, as well as cash bonuses, are at the discretion of and subject to the final review and approval of the Compensation Committee, or in the case of the Chairman, President and Chief Executive Officer, are subject to the recommendation of the Compensation Committee with the final review and approval of the full Board.

The Role of Stockholder Say-on-Pay Votes

The Company provides its stockholders with the opportunity to cast an annual advisory vote on executive compensation (a "say-on-pay proposal"). At the Company's annual meeting of stockholders held in May 2023, approximately 98% of the votes cast on the say-on-pay proposal at that meeting were voted in favor of the proposal. The Compensation Committee believes this affirms stockholders' support of the Company's approach to executive compensation and, therefore, did not change its overall approach in 2023. The Compensation Committee will continue to consider the outcome of the Company's say-on-pay votes when making future compensation decisions for the NEOs.

Change of Control of the Company – Termination and Potential Payments

Unvested stock options and restricted stock awards granted under the 2015 Sypris Omnibus Plan (the "2015 Plan") and 2020 Sypris Omnibus Plan (the "2020 Plan") are subject to accelerated vesting upon any change-in-control of the Company, pursuant to the terms of each plan.

Under the 2015 Plan, in the event of a Change of Control (as defined in the 2015 Plan) of the Company, the vesting date for all unvested or forfeitable rights in any award are accelerated to the earlier of the date of the Change of Control or any other date set by the Compensation Committee in its discretion to allow participants to effectively enjoy such rights under their awards.

Under the 2020 Plan, in the event of a Change of Control (as defined in the 2020 Plan) of the Company unless otherwise determined by the Compensation Committee, the treatment of outstanding awards will depend on whether awards are being assumed, continued or substituted for in the transaction. If awards are being assumed, continued or substituted for in the transaction, the awards will continue in accordance with their terms with appropriate adjustments as to the number of shares and option and appreciation right exercise prices. In addition, if a participant's awards are assumed, continued or substituted for and his employment is terminated within one year of the Change of Control without cause (as defined in the 2020 Plan), all of his awards will be credited with an additional 12 months of service from such date of termination.

In the event of a Change of Control in which awards are not being assumed, continued or substituted for in the transaction, the vesting date for all unvested or forfeitable rights in any award will be accelerated to the date of the Change of Control. In addition, the Compensation Committee may elect to cancel outstanding awards and pay to the grantee an amount having a value equal to the number of shares subject to the award multiplied by the price per share paid to holders of shares in the Change of Control, less, in the case of options or appreciation rights, the aggregate exercise price of such options and appreciation rights.

The respective values of the outstanding restricted stock awards and unvested non-qualified stock options calculated as of December 29, 2023, the last trading day of the fiscal year, which would have become vested for the named executive officers in the event of a change of control of the Company would have been as follows: \$105,250 for Mr. Davis, \$ 104,500 for Mr. Allen and \$12,000 for Mr. J. T. Gill. For restricted stock, the valuation was calculated using (i) the number of each such individual's unvested shares of restricted stock on December 29, 2023, multiplied by (ii) the Company's stock price on December 29, 2023. For stock options, the valuation was calculated using (i) the number of each such individual's unvested stock options on December 29, 2023, multiplied by (ii) the amount, if any, by which the Company's stock price on December 29, 2023, exceeded the strike price of such options.

- (2) The dollar amounts reported in column (d) represent the average of the amounts reported for our non-PEO NEOs in the “Total” column of the Summary Compensation Table in each applicable year. The non-PEO NEOs for 2023, 2022 and 2021 for purposes of calculating the average amount in each applicable year were Richard L. Davis and Anthony C. Allen.
- (3) The dollar amounts reported in column (c) and (e) represent the amount of “compensation actually paid” to the PEO and the average “compensation actually paid” to the non-PEO NEOs as computed in accordance with Item 402(v) Regulation S-K. The dollar amounts do not reflect the actual amount of compensation earned or paid to the PEO or the average actual amount of compensation earned or paid to the non-PEO NEOs during the applicable year. The amounts disclosed reflect the following adjustments to the amounts reported in the Summary Compensation Table.

Analysis of the Information Presented in the Pay versus Performance Table

In accordance with Item 402(v) of Regulation S-K we are providing the following graphs that describe the relationship between information presented in the Pay Versus Performance table.

Compensation Actually Paid and Cumulative TSR

As demonstrated by the following graph, the amount of compensation actually paid to Mr. J.T. Gill and the average amount of compensation actually paid to our non-PEO NEOs as a group is aligned with our cumulative TSR over the three years presented in the table.

Compensation Actually Paid and Net Income (Loss)

As demonstrated by the following table, the amount of compensation actually paid to Mr. J.T. Gill and the average amount of compensation actually paid to our non-PEO NEOs as a group is generally aligned with the Company's net income (loss) over the three years presented in the table.

2023 DIRECTOR COMPENSATION

The following table sets forth our compensation of non-employee directors in 2023. Our Chairman, President and Chief Executive Officer, Mr. Jeffrey T. Gill, receives no additional compensation for his services as a director.

- (1) The amounts provided in column (b) reflect the cash retainer payments made to all directors, which were paid in arrears on a quarterly basis beginning with the first quarter of 2023.
- (2) The amounts provided in column (c) reflect the dollar amount for the aggregate grant date fair value for the equity awards granted during 2023 for each non-employee director serving in his position following the date of the Annual Meeting, in accordance with FASB ASC Topic 718, and awarded pursuant to the 2020 Sypris Omnibus Plan and the Directors Compensation Program. The four equity awards each consisted of 2,500 fully vested shares, therefore, the amounts in column (c) are equal to the fair value of shares calculated based on the closing price of our Common Stock as of the date of each of the equity award as follows: \$2.05 for the shares awarded on February 15, 2023; \$1.90 for the shares awarded on May 25, 2023; \$2.07 for the shares awarded on August 25, 2023 and \$1.88 for the shares awarded on November 27, 2023.
- (3) The amounts provided in column (g) reflect routine perquisites, including complimentary or discounted food and drink, entertainment and related travel, clothing, gifts or similar benefits, which in the aggregate are less than \$1,000.
- (4) Mr. Brinkley retired from the Board effective January 31, 2024.

As of the 2023 fiscal year-end, there were no unvested stock awards outstanding.

In accordance with the 2023 Directors Compensation Program, non-employee directors were paid a cash retainer on a quarterly basis in arrears. Under the 2023 Directors Compensation Program, each director received awards of our Common Stock for continued service following the date of the Annual Meeting. Prior to March 2023 these awards totaling 10,000 shares of Common Stock were granted in four equal tranches on the 15th calendar day of May, August, November and February unless such calendar day is a weekend or holiday. Beginning March 2023, these awards totaling 10,000 shares of Common Stock were granted in four equal tranches on the 25th calendar day of May, August, November and February unless such calendar day is a weekend or holiday.

The Board has adopted the Amended and Restated Directors Compensation Program effective January 1, 2024, which consists of restricted stock awards granted the first day following the 2024 Annual Meeting for those directors that continue to serve following the Annual Meeting and which vest on the second anniversary of the grant date.

All directors are reimbursed for travel and related expenses for attending Board and committee meetings. In 2023, the Board held six meetings, only one of which required Board members to travel. We also provide non-employee directors with travel accident insurance when on Company business. Directors who are employees of Sypris or its affiliates are not eligible to receive compensation for services as a director.

PROPOSAL TWO
ADVISORY VOTE TO APPROVE NAMED EXECUTIVE OFFICER COMPENSATION

We are providing our stockholders with an opportunity to vote to approve, on an advisory, non-binding basis, the compensation of our named executive officers as disclosed in this proxy statement in accordance with the SEC's rules. This proposal, which may be referred to as a "say-on-pay" proposal, is required by the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the "Dodd-Frank Act").

Our executive compensation program is designed to attract, motivate, and retain our executive officers, who are critical to our success. As described in the "Summary Compensation" and "Outstanding Equity Awards at Fiscal Year-End 2023" tables above, as well as our accompanying narrative disclosure to such tables, our executive compensation program contains elements of cash and equity-based compensation. We believe our compensation program is modest, balanced, and structured to align the interests of our named executive officers with those of our stockholders and rewards our named executive officers for the achievement of our near-term and longer-term financial and strategic goals.

The Board is asking our stockholders to approve a non-binding advisory vote on the following resolution:

RESOLVED, that the compensation paid to the Company's named executive officers, as disclosed pursuant to the compensation disclosure rules of the Securities and Exchange Commission under the headings "Summary Compensation Table" and "Outstanding Equity Awards at Fiscal Year-End 2023," including the related footnotes and accompanying narrative disclosure, is hereby approved.

Though this proposal calls for a non-binding advisory vote, our Board and Compensation Committee value the opinions of our stockholders and will consider the outcome of the vote when making future compensation decisions for our named executive officers.

Vote Required and Recommendation of the Board of Directors

The affirmative vote of a majority of the shares present in person or represented by proxy and entitled to vote on the matter is required to approve this Proposal Two. In determining whether this proposal has received the requisite number of affirmative votes, abstentions will not be counted and will have the same effect as a vote against the proposal. **The Board recommends a vote FOR the resolution approving the compensation of the Company's named executive officers.**

SUBMISSION OF STOCKHOLDER PROPOSALS

Any stockholder who intends to present a proposal or nominate a director at the Annual Meeting in the year 2025 (the "2025 Annual Meeting") must deliver a notice to the Company's corporate Secretary at 101 Bullitt Lane, Suite 450, Louisville, Kentucky 40222 in compliance with the following deadlines and procedures:

The proposal also must comply with SEC regulations set forth in Rule 14a-8 regarding the inclusion of stockholder proposals in company-sponsored proxy materials.
- For any proposal or director nomination that a stockholder wishes to propose for consideration at the 2025 Annual Meeting but does not wish to include in the proxy materials for that meeting pursuant to Rule 14a-8 (including nomination of director candidates under our advance notice bylaw), our Amended and Restated Bylaws provide that written notice must be received no later than 60 days, and no earlier than 90 days prior to the first anniversary of the preceding year's annual meeting (provided, however, that in the event that the date of the annual meeting is more than 30 days before or more than 70 days after such anniversary date, notice by the stockholder must be delivered not earlier than the close of business on the 90th day prior to such annual meeting and not later than the close of business on the later of the 60th day prior to such annual meeting or 10 days after the day on which public disclosure of the date of such meeting is first made by the Company). The notice also must comply with the content requirements for such notices set forth in our Amended and Restated Bylaws.

In addition to satisfying the foregoing advance notice requirements under our Amended and Restated Bylaws, to comply with the universal proxy rules under the Securities and Exchange Act of 1934, as amended, stockholders who intend to solicit proxies in support of director nominees, other than the Company's nominees, must provide notice that sets forth the information required by Rule 14a-19 under the Securities Exchange Act of 1934, as amended, no later than April 6, 2025.
