## PROXY STATEMENT

We are providing this Proxy Statement to you in connection with the solicitation by the Board of Directors of Sypris Solutions, Inc. of proxies to be voted at our 2012 Annual Meeting of Stockholders and at any postponement or adjournment thereof. In this Proxy Statement, we refer to Sypris Solutions, Inc. as "Sypris," "Sypris Solutions," "we," "our" or "the Company."

You are cordially invited to attend the Annual Meeting on May 8, 2012, beginning at 10:00 a.m. EDT. The Annual Meeting will be held at 101 Bullitt Lane, Lower Level Seminar Room, Louisville, Kentucky 40222.

We are first mailing this Proxy Statement on or about March 30, 2012, to holders of our Common Stock at the close of business on March 14, 2011 which is the "Record Date" for the Annual Meeting.

### Proxies and Voting Procedures

#### *Stockholder of Record: Shares Registered in Your Name*

Your vote is important. If you are a stockholder of record, you may a) vote in person at the meeting, b) vote by proxy using the enclosed proxy card, c) vote by proxy over the telephone, or d) vote by proxy on the internet, in each case as described below. You may still attend the meeting and vote in person even if you have already voted by proxy. In order to vote over the Internet or via telephone, please call the number or go to the website identified on the enclosed proxy card and follow the instructions. The Internet and telephone voting facilities will close at 12:00 a.m. EDT on May 8, 2012.

You can revoke your proxy at any time before it is exercised by timely delivery of a properly executed, later-dated proxy (including an Internet or telephone vote before the deadline) or by voting by ballot at the Annual Meeting. Simply attending the annual meeting will not, by itself, revoke your proxy.

#### *Beneficial Owner: Shares Registered in the Name of Broker or Bank*

If you are a beneficial owner of shares registered in the name of your broker, bank or other nominee, you should have received a proxy card and voting instructions with these proxy materials from that organization rather than from us. Simply complete and mail the proxy card and voting instructions to ensure that your vote is counted. Alternatively, you may vote by telephone or over the Internet as instructed by your broker, bank or other nominee. To vote in person at the Annual Meeting, you must obtain a valid proxy from your broker, bank or other nominee. Follow the instructions from your broker, bank or other nominee included with these proxy materials, or contact your broker, bank or other nominee to request a proxy card. Otherwise, your shares may not be voted with respect to certain proposals, including the election of directors.

#### *Voting Procedures*

All shares entitled to vote and represented by proxies received prior to the Annual Meeting, and not revoked, will be voted at the Annual Meeting in accordance with your instructions. **If you do not indicate how your shares should be voted on a matter, the shares represented by your proxy will be voted as the Board of Directors recommends.**

If any other matters are properly presented for consideration at the Annual Meeting, including, among other things, consideration of a motion to adjourn the meeting to another time or place in order to solicit additional proxies in favor of the recommendations of the Board of Directors, the persons named as proxies and acting thereunder will have discretion to vote on those matters according to their best judgment to the same extent as the

## [Table of Contents](#)

person delivering the proxy would be entitled to vote. As of the date of this Proxy Statement, we did not anticipate that any other matters would be raised at the Annual Meeting.

### **Stockholders Entitled to Vote**

Holders of Sypris Common Stock at the close of business on the Record Date are entitled to receive notice of and to vote at the Annual Meeting. Each share of Common Stock is entitled to one vote on each matter properly brought before the meeting. Stockholders do not have the right to cumulate their votes in the election of directors.

On the Record Date, March 14, 2012, there were 19,861,673 shares of Sypris Common Stock outstanding. A list of stockholders entitled to vote at the Annual Meeting will be available at the Annual Meeting and for 10 days prior to the Annual Meeting at the Company's offices at 101 Bullitt Lane, Suite 450, Louisville, Kentucky 40222, between 8:30 a.m. and 5:30 p.m. local time.

### **Quorum**

The presence, in person or by proxy, of the holders of a majority of the outstanding shares entitled to vote is necessary to constitute a quorum. Abstentions are counted as present and entitled to vote for purposes of determining whether a quorum exists, but shares held by a broker, bank or other nominee and not voted on any matter will not be counted for such purpose. **Therefore, if you hold shares through a broker, bank or other nominee it is important that you contact your broker with your voting instructions.** If there is no quorum, the holders of a majority of shares present at the meeting in person or represented by proxy may adjourn the meeting to another date.

### **Gill Family**

As of the Record Date, the Gill family beneficially owned an aggregate of 8,738,763 shares or 43.2% of the Company's outstanding Common Stock. For further information on ownership of Common Stock by the Gill family, see *Stock Ownership of Certain Beneficial Owners*.

### **Multiple Stockholders Sharing the Same Address**

Multiple stockholders who share a single address will receive only one Annual Report and Proxy Statement at that address. This practice, known as "householding," reduces printing and postage costs. However, if you wish to receive a separate copy of the Annual Report or Proxy Statement in the future, you may contact your broker, bank or nominee directly or contact Sypris at 101 Bullitt Lane, Suite 450, Louisville, Kentucky 40222 or at 502-329-2000. If you own your shares through a broker, bank or other nominee, and you are receiving multiple copies of our Annual Report and Proxy Statement, you can request householding by contacting the bank, broker or nominee.

### **Cost of Proxy Solicitation**

Sypris will pay the cost of soliciting proxies. Sypris may reimburse brokerage firms and other persons representing beneficial owners of shares for expenses incurred in forwarding solicitation materials to such beneficial owners. Proxies may be solicited on behalf of the Company by directors, officers or employees of the Company, without additional compensation, in person or by telephone, facsimile or other electronic means.

### **Notice Regarding Availability of Proxy Materials**

In accordance with the rules of the Securities and Exchange Commission ("SEC"), we are advising our stockholders of the availability on the Internet of our proxy materials related to the Annual Meeting described above. These rules allow companies to provide access to proxy materials in one of two ways. Because we have elected to utilize the "full set delivery" option, we are delivering to all stockholders paper copies of all the proxy materials, as well as providing access to those proxy materials on a publicly accessible Web site. The notice of annual meeting of stockholders, proxy statement, form of proxy card and annual report on Form 10-K are available at [www.sypris.com/proxymaterials](http://www.sypris.com/proxymaterials).

## GOVERNANCE OF THE COMPANY

### Board of Directors

Our Board of Directors has adopted the Sypris Solutions, Inc. Guidelines on Corporate Governance (the “Guidelines”). The Guidelines provide a framework for the Company’s corporate governance initiatives and cover topics including, but not limited to, Board of Directors and Committee composition and operation, director compensation and risk management. The Nominating and Governance Committee is responsible for overseeing and reviewing the Guidelines on an annual basis, and reporting any recommended changes to the Board of Directors. A copy of the Guidelines is available on the Company’s website at [www.sypris.com](http://www.sypris.com).

During 2011, the Board of Directors held five regular meetings and one special meeting, and the Committees held eleven meetings. All directors attended greater than 90% of the Board meetings and meetings of Committees of which they are members. Although the Company does not have a formal policy regarding attendance by members of the Board of Directors at the Company’s Annual Meeting of Stockholders, more than a majority of the directors have attended all Annual Meetings. Seven of the eight directors attended the 2011 Annual Meeting.

### Independence

The Board of Directors has determined that John F. Brinkley, William G. Ferko, William L. Healey, Sidney R. Petersen and Robert Sroka are “independent” as defined by NASDAQ’s listing standards. Each of our Audit and Finance, Compensation, and Nominating and Governance committees is composed only of independent directors as identified below under the heading “Committees of the Board of Directors.”

In December 2011, the independent directors selected John F. Brinkley to serve a one-year term as Lead Independent Director. Mr. Brinkley, as Lead Independent Director, presides over periodic independent sessions of the Board of Directors in which only independent directors participate. Stockholders and other parties interested in communicating directly with the Lead Independent Director or with the independent directors as a group may do so by writing to the Lead Independent Director, c/o Sypris Solutions, Inc., 101 Bullitt Lane, Suite 450, Louisville, Kentucky 40222.

### Communications with Stockholders

Our Board of Directors welcomes communications from our stockholders. Stockholders may send communications to the Board of Directors, or to any director in particular, c/o Sypris Solutions, Inc., 101 Bullitt Lane, Suite 450, Louisville, Kentucky 40222. Any stockholder correspondence addressed to the Board of Directors, or to any director in particular, in care of the Company, is forwarded by us to the addressee.

### Committees of the Board of Directors

During 2011, the Board of Directors had three ongoing Committees: the Audit and Finance Committee, the Compensation Committee and the Nominating and Governance Committee.

### Audit and Finance Committee

The current members of the Audit and Finance Committee are William G. Ferko (Chairman), Sidney R. Petersen and Robert Sroka. Each member of the Audit and Finance Committee satisfies the additional requirements of the SEC and NASDAQ for audit committee membership, including the additional independence requirements and the financial literacy requirements. The Board of Directors has also determined that each of Sidney R. Petersen and William G. Ferko qualify as an “audit committee financial expert” as defined by SEC rules. During 2011, the Audit and Finance Committee met four times. The functions of the Audit and Finance

## [Table of Contents](#)

Committee are described below under the heading *Audit and Finance Committee Report*. The Audit and Finance Committee operates pursuant to a formal written charter that sets out the functions that this Committee is to perform. The Audit and Finance Committee reviews and reassesses the adequacy of the Audit and Finance Committee Charter on an annual basis. The Audit and Finance Committee Charter is available on the Company's website at [www.sypris.com](http://www.sypris.com).

### **Compensation Committee**

The current members of the Compensation Committee are John F. Brinkley (Chairman), Robert Sroka and William L. Healey. During 2011, the Compensation Committee met five times. The functions of the Compensation Committee include administering management incentive compensation plans, establishing the compensation of executive officers and reviewing the compensation of directors. The Committee generally approves equity awards for the Company's other employees and non-equity compensation for the Company's executive officers. However, the Committee has delegated to the Company's Chief Executive Officer the discretion to award to non-executive employees in any one calendar year up to 100,000 stock options in the aggregate, with a maximum individual award of 10,000. The Company's Chief Executive Officer, with assistance from the Director of Human Resources and their support staff, provides recommendations to the Compensation Committee regarding compensation for those employees reporting directly to the Chief Executive Officer. However, the Committee retains full discretion to modify any compensation recommendations by the Chief Executive Officer or other members of management.

In 2011, the Company's management engaged the assistance of Pearl Meyer & Partners ("Pearl Meyer"), a compensation consulting firm, to assist the Compensation Committee in reviewing total compensation for the Company's named executive officers, other key employees and directors. Pearl Meyer provided the Compensation Committee with relevant market data and alternatives to consider when making compensation decisions regarding the Chief Executive Officer, the Company's other executives and the directors. In 2011, direct access to Pearl Meyer, with or without management in attendance, was offered to the Compensation Committee, on an "as needed" basis. Company management also engaged Pearl Meyer for assistance with general trends in compensation, specific advice with respect to particular employees and data requests to help clarify the appropriate compensation benchmarks for unique or "hybrid" job descriptions. For compensation decisions affecting 2012, the Company will continue to utilize the assistance of Pearl Meyer.

The Compensation Committee operates pursuant to a formal written charter that sets out the functions that it is to perform. The Compensation Committee reviews and reassesses the adequacy of the Compensation Committee Charter on an annual basis. A copy of the Compensation Committee Charter is available on the Company's website at [www.sypris.com](http://www.sypris.com).

### **Nominating and Governance Committee**

The current members of the Nominating and Governance Committee are William L. Healey (Chairman), John F. Brinkley and William G. Ferko. During 2011, the Nominating and Governance Committee met two times. The functions of the Nominating and Governance Committee include recommending nominees to the Board of Directors for election as directors of the Company and evaluating the performance and effectiveness of the Board of Directors. The Nominating and Governance Committee also makes recommendations to the Board of Directors from time to time as to matters of corporate governance.

The Nominating and Governance Committee employs an independent director profile to assess candidates for inclusion in the Company's recommended slate of independent director nominees. The Nominating and Governance Committee takes a number of attributes into account during the nomination process, including an individual's demonstrated leadership, maturity and public company experience. The Nominating and Governance Committee also places a value on building a diversity of viewpoints and backgrounds on the Board of Directors, including diversity of religions, races, genders, nationalities, educational backgrounds, work experiences and extracurricular interests, which can have a positive impact on the business. A mix of talents, backgrounds, experiences and geographic locations of the individual Board members is also important and is considered in the

## [Table of Contents](#)

evaluation of potential candidates. In addition, the Nominating and Governance Committee will consider an individual's integrity and commitment, as well as a candidate's experience in our core market industries, certain targeted knowledge areas, complex multi-industry and/or technological areas and manufacturing or service operations.

All nominees for election at this Annual Meeting of Stockholders are currently directors and were previously elected by stockholders. To date, the Nominating and Governance Committee has not engaged third parties to identify or evaluate potential director candidates. Currently, subject to any rights stockholders have to nominate director candidates under our bylaws, the Company's policy is not to seek or accept director nominations recommended by security holders (other than those directors who are also security holders, acting in their capacity as directors), and has not received any such nominations by any non-director security holders to date. In light of the Company's current size, market position and historically low rates of director turnover, the policy of the Nominating and Governance Committee has been to develop and maintain contacts with potential candidates for future membership on the Board, primarily through the business relationships of the Company's current and former officers and directors. The Committee is actively considering the addition of one or more Directors, but no final decisions have yet been made by the Board of Directors as of the date of this Proxy Statement.

The Nominating and Governance Committee operates pursuant to a formal written charter that sets out the functions that it is to perform. The Nominating and Governance Committee reviews and reassesses the adequacy of the Nominating and Governance Committee Charter on an annual basis. A copy of the Nominating and Governance Committee Charter is available on the Company's website at [www.sypris.com](http://www.sypris.com).

### **Board Leadership and Risk Oversight**

The Company's Board of Directors ("Board") consists of our Chairman of the Board, Robert E. Gill, our President and Chief Executive Officer, Jeffrey T. Gill, R. Scott Gill and five independent directors. Additionally, the independent directors annually select a Lead Independent Director. Our independent directors generally meet in executive session, chaired by our Lead Independent Director, several weeks in advance of each regularly scheduled Board meeting. During 2011, the Lead Independent Director presided over four such meetings. The Board has three standing committees—Audit and Finance, Compensation, and Nominating and Governance, each of the committees is comprised solely of independent directors.

The Board with and through its committees is actively involved in oversight of risks that could affect the Company. While the oversight of certain risks related to compensation, financial or governance matters is conducted primarily through designated committees of the Board, as disclosed more fully in the charters of each of such committees, the full Board has retained responsibility for general oversight of risks. The Board satisfies this responsibility through full reports by each committee chair regarding the committee's considerations and actions, as well as through regular reports directly from officers responsible for oversight of particular risks within the Company.

The Audit and Finance Committee is generally responsible for oversight of the Company's relationship with its public accountants, financial reporting and internal controls, debt and credit agreements, and other financial compliance matters. The Compensation Committee is generally responsible for oversight of the recruitment, retention and motivation of the Company's executive management and other employees, including compensation, performance evaluation processes and succession planning matters for directors, officers and other key personnel. The Nominating and Governance Committee is generally responsible for oversight of the nominating and self-evaluative processes with respect to service on the Company's Board of Directors, and for oversight of other corporate governance matters.

## [Table of Contents](#)

Pursuant to our bylaws, our Guidelines and general practices, the Board reviews and determines the best board leadership structure for the Company at least annually. As part of our periodic board self-evaluation process, we evaluate our leadership structure to ensure that the Board continues to believe that it provides an effective and efficient structure for the Company and stockholders.

We believe that our current board leadership structure is common among other public companies in the United States, and that this leadership structure has been effective for the Company. We believe that having a separate Chairman of the Board and Chief Executive Officer, independent chairs for each of the Audit, Compensation, Nominating and Governance Committees and a Lead Independent Director provides a focused leadership structure for the Company and the Board. Together with regular executive planning, analysis and reporting, we believe that this structure provides effective oversight of the material risks and opportunities facing the Company on an ongoing basis.

### **Code of Business Conduct**

We have a corporate responsibility and compliance program which includes a written code of business conduct. We require all employees, including all officers and senior level executives, to adhere to our code of business conduct in addressing the legal and ethical issues encountered in conducting their work. The code of business conduct requires each of our employees to avoid conflicts of interest, comply with all laws and other legal requirements, conduct business in an honest, fair and ethical manner and otherwise act with integrity. Employees are required to report any conduct they believe to be an actual or apparent violation of the code of business conduct or other Company policies and procedures. The code of business conduct details the procedures for confidential and anonymous reporting by employees and emphasizes our policy of non-retaliation. Our code of business conduct can be found on our corporate website at [www.sypris.com](http://www.sypris.com).

### **Transactions with Related Persons**

The Company's code of business conduct requires all directors, executive officers and other employees of the Company to disclose and seek prior approval of any related person transaction. The Company's directors, including the Chief Executive Officer and President, must report any potential conflict of interest to the Audit and Finance Committee, in accordance with the Guidelines and the Audit and Finance Committee Charter. The other executive officers must report any potential conflict of interest to the Chief Executive Officer and President. The Audit and Finance Committee may approve, ratify or reject the transaction or refer the transaction to the full Board of Directors or other appropriate Committee of the Board, in its discretion. In addition, the Company requires each director, director nominee and executive officer to disclose any transactions involving related parties, or other potential conflicts of interest, in an annual written questionnaire. For 2011, no related person transactions (as defined in Item 404(a) of Regulation S-K) were reported or otherwise discovered by the Company.

## RELATIONSHIP WITH INDEPENDENT PUBLIC ACCOUNTANTS

Ernst & Young LLP has served as the Company's independent public accountants since and including the fiscal year ended December 31, 1989. Although the Audit and Finance Committee has not yet completed its process for selecting the independent public accountant for the Company with respect to its 2012 financial statements, the Audit and Finance Committee has approved the interim engagement of Ernst & Young LLP to perform audit and audit-related services with respect to 2012. The Audit and Finance Committee's selection process includes consideration of the following factors: continuity of experience with the Company's business, internal controls and technical accounting experience; independence; history of and reputation for thoroughness, accuracy, excellence and integrity; and reasonableness of fees. The Audit and Finance Committee has approved the fees described below for 2011. The Audit and Finance Committee believes that the fees paid for non-audit services are compatible with the independence of Ernst & Young LLP.

Representatives of Ernst & Young LLP will be present at the Annual Meeting. They will be given an opportunity to make a statement, if they desire to do so, and they will be available to respond to appropriate questions after the meeting.

#### *Policy on Audit and Finance Committee Pre-Approval of Audit and Non-Audit Services of Independent Public Accountants*

The Audit and Finance Committee's policy is to pre-approve all audit and non-audit services provided by the independent public accountants, either by a vote of a quorum of the Committee at any meeting or by the Committee's authorized delegate for approvals between meetings, all of which are reported to the Committee at

## [Table of Contents](#)

its next meeting. These services may include audit services, audit-related services, tax services and other services. With some exceptions for certain longer-term projects, pre-approval is generally provided for up to one year, is detailed as to the particular service or category of services and is generally subject to a specific budget. The independent public accountants and management are required to periodically report to the full Audit and Finance Committee regarding the extent of services provided by the independent public accountants in accordance with this pre-approval, and the fees for the services performed to date. None of the services provided by the independent public accountants under the categories Audit-Related and Tax described above were approved by the Audit and Finance Committee pursuant to the waiver of pre-approval provisions set forth in Rule 2-01(c) of Regulation S-X.

### **AUDIT AND FINANCE COMMITTEE REPORT**

The Audit and Finance Committee met with management periodically during the year to consider the adequacy of the Company's internal control over financial reporting and the objectivity of its financial reporting. The Audit and Finance Committee discussed these matters with the Company's independent public accountants and with appropriate Company financial personnel. The Audit and Finance Committee also discussed with the Company's senior management and independent public accountants and auditors the processes used to support the certifications by the Company's Chief Executive Officer and Chief Financial Officer, which are required by the Securities and Exchange Commission and the Sarbanes-Oxley Act of 2002 for certain of the Company's filings with the Securities and Exchange Commission.

The Audit and Finance Committee met privately with both the independent public accountants and Company financial personnel, each of whom has unrestricted access to the Audit and Finance Committee.

Management has primary responsibility for the Company's financial statements and the overall reporting process, including the Company's system of internal control over financial reporting. Ernst & Young LLP, the Company's independent public accountants, is responsible for performing an independent audit of the Company's financial statements in accordance with generally accepted auditing standards and expressing an opinion on the conformity of those audited financial statements in accordance with U.S. generally accepted accounting principles. Ernst & Young LLP is also responsible for performing an audit of the Company's internal controls over financial reporting in accordance with the standards of the United States Public Company Accounting Oversight Board and expressing an opinion that the Company maintained effective internal control over financial reporting based on criteria established in Internal Control—Integrated Framework issued by the Committee of Sponsoring Organizations of the Treadway Commission. The Audit and Finance Committee is responsible for monitoring and overseeing these processes.

The Audit and Finance Committee reviewed with management and Ernst & Young LLP the Company's draft of Form 10-K for 2011, including the Company's audited financial statements and met separately with both management and Ernst & Young LLP to discuss and review those materials prior to issuance and filing with the Securities and Exchange Commission. Management has represented, and Ernst & Young LLP has confirmed, to the Audit and Finance Committee that the financial statements were prepared in accordance with U.S. generally accepted accounting principles.

The Audit and Finance Committee also discussed with Ernst & Young LLP matters required to be discussed by the Statement on Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1. A U Section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T, relating to communications with auditors.

## Table of Contents

In addition, the Audit and Finance Committee has received from the independent public accountants the written disclosures and the letter required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the Audit and Finance Committee concerning independence, has discussed with the independent public accountants their independence from the Company and its management, and has considered whether the independent public accountants' provision of non-audit services to the Company is compatible with maintaining the auditor's independence. Ernst & Young LLP has confirmed by letter that, in its professional judgment, it is independent of the Company. The Audit and Finance Committee is not aware of any issues which could impair the independence of Ernst & Young LLP.

The Audit and Finance Committee reviewed and pre-approved Ernst & Young LLP's proposed audit plans, audit scope, identification of audit risks and fees, either by vote of the Committee or by approval of the Committee's authorized delegate acting between meetings. The Audit and Finance Committee also reviewed and pre-approved all non-audit services performed by Ernst & Young LLP.

In reliance on the reviews and discussions referred to above, the Audit and Finance Committee recommended to the Board of Directors (and the Board of Directors has approved) that the Company's audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2011.

**PROPOSAL ONE  
ELECTION OF DIRECTORS**

The Board of Directors is divided into three classes with terms that expire at successive annual meetings. Three Class I directors will be elected at the Annual Meeting to serve for a three-year term expiring at our annual meeting in 2015 or until their successors have been elected and qualified, or until the earliest of their death, resignation or retirement. We expect each nominee for election as a director at the Annual Meeting to be able to serve if elected. If any nominee is unable to serve, proxies will be voted in favor of the remainder of those nominees and for such substitute nominee as may be selected by the Board of Directors.

The Board of Directors has nominated John F. Brinkley, Robert E. Gill and William L. Healey to be elected at the Annual Meeting as Class I directors whose terms will expire in 2015. All nominees are current directors.

For restricted stock, these valuations reflect (i) the number of each such individual's unvested shares of restricted stock on December 31, 2011, multiplied by (ii) the Company's stock price on December 30, 2011.

In March of 2009, the Company reduced Mr. Gill's salary by 20%, and the salaries of certain other executive officers, including Mr. Lutes, by 15%. In July of 2010, the Company reinstated the salary for Mr. Gill and certain other executive officers back to the 2008 levels, including Mr. Lutes. Effective as of March 2, 2011, the Company's executive officers and certain other key employees, including Mr. Lutes and Mr. Walsh, entered into one-year employment agreements with the Company which expired on March 2, 2012. Under those contracts, if terminated without cause then (i) these employees would have continued to receive their current salary for a period of 12 months following the date of termination, provided that if they became employed by another entity during such time, these employees would have only received 30% of such salary, and (ii) all of the employee's outstanding restricted stock and stock options would have become 100% vested and remained exercisable until the expiration dates then in effect for any such stock options. The employment agreements also contained confidentiality, non-compete and non-solicitation covenants by the employee during the term of the agreement. Effective May 9, 2009, the Company's executive officers and certain other key employees, including Mr. Lutes and Mr. Walsh entered into Three-Year Bonus Agreements which upon vesting on May 9, 2012 would require payments to Mr. Lutes and Mr. Walsh of \$450,000, respectively. If terminated without cause before May 9, 2012, these employees would be entitled to receive a pro rata portion of the three-year bonus within thirty (30) days of such termination date, and this Agreement will automatically terminate without further notice or obligation by the Company. All or any portion of the three-year bonus award may be paid in Common Stock (valued at its closing price on May 8, 2012, or any earlier termination date), at the sole election of the Board.

On December 20, 2011, the Board of Directors authorized the Company to enter into an Executive Equity Repurchase Agreement (the "Repurchase Agreement") that certain members of the Company's management team and directors may elect to join on a voluntary basis, including Mr. Gill, Mr. Lutes and Mr. Walsh. By electing to join the Repurchase Agreement the individuals would be required to offer the Company a first right to purchase shares of Common Stock of the Company beneficially owned by those individuals at then-current market prices, subject to certain exceptions.

There are two circumstances, subject to certain exceptions in each case, in which an individual would be required to offer to sell shares of Common Stock beneficially held by such person to the Company under the Repurchase Agreement. The first is when any individual proposes to transfer more than 1,500 shares of Common Stock to a third party. The second is when an individual separates service from the Company. In that second circumstance, the Company has the right to acquire all of the shares of Common Stock beneficially owned by the departing person. In both circumstances, the price per share, if accepted by the Company, would be based on the average of the closing prices of the Common Stock on NASDAQ for a trailing five trading day period. As of the date of this Proxy Statement Mr. J.T. Gill, Mr. Lutes and Mr. Walsh have elected to participate.

- (1) The directors listed in column (a) had the following aggregate amounts of option awards outstanding at fiscal year end (Mr. Brinkley, 11,381; Mr. Ferko, 5,175; Mr. R. Scott Gill, 27,724; Mr. Healey, 19,434; Mr. Petersen, 19,896; and Mr. Sroka, 9,583).
- (2) The amount provided in column (g) represents the annual salary plus the aggregate dollar amount of all perquisites for Mr. R. E. Gill as an executive officer of the Company including an auto lease for personal and business use, Company 401(k) matching contributions, and a term life policy. Additionally, for each of the named directors the aggregate dollar amount includes a variety of routine perquisites, including complimentary or discounted food, drink, entertainment and related travel, clothing, gifts or similar benefits which in the aggregate do not exceed \$5,000 in value per year.
- (3) The amounts in column (c) reflect the dollar amounts for the aggregate grant date fair value for each stock award granted during 2011 for each director, in accordance with FASB ASC Topic 718, awarded pursuant to the 2010 Sypris Omnibus Plan and the Directors Compensation Program. Because these awards consisted of fully vested shares, the amounts in column (c) are equal to the fair value of all shares awarded in 2011, valued at the closing price of the Company's Common Stock as of the time of the award.
- (4) Mr. R. E. Gill does not receive separate compensation for his services as a director in addition to his total compensation for services as an executive officer. Mr. R. E. Gill is also the father of the Company's President and Chief Executive Officer, Jeffery T. Gill and R. Scott Gill.

In 2011, non-employee directors (Mr. Brinkley, Mr. Ferko, Mr. R. Scott Gill, Mr. Healey, Mr. Petersen and Mr. Sroka) each received an annual retainer ranging from approximately \$33,000 to \$46,000, payable after each quarter, in equal cash installments. Additionally, non-employee directors received 5,200 shares of common stock, bringing the value of total compensation excluding perquisites, to a range of approximately \$53,000 to \$66,000.

All directors are reimbursed for travel and related expenses for attending Board and Committee meetings. In 2011, the Company held three meetings which required board members to travel. We also provide non-employee directors with travel accident insurance when on Company business. Directors who are employees of Sypris or its affiliates are not eligible to receive compensation for services as a director. As of the date of this Proxy Statement all of the directors other than R.S. Gill have elected to participate in the Repurchase Agreement.
